Burroughs, Metaphysical Detective** Jackson Evil, 2023-12-23 William S Burroughs Metaphysical Detective is a genre defying exploration of the metaphysical blending elements of detective mystery science fiction and surrealist fantasy The narrative is a kaleidoscope of cosmic mysteries where the line between reality and the fantastical blurs and the protagonist s journey becomes a metaphorical dance in the cosmic symphony of existence In the imaginary city of Interzone where the neon lit streets pulse with enigmatic energies Detective William S Burroughs embarks on a surreal mystery through multidimensional realities populated with literary outlaws and strange beings The narrative weaves a tale of satirical metaphors in electric imagery and wordplay that bends the boundaries of language and reality The story unfolds across 25 chapters each with a unique blend of hard boiled detective noir surreal science fiction and mind bending plot twists Burroughs armed with a golden gun and guided by the Language of the Dead navigates the mysterious alleys celestial gardens and esoteric cathedrals of Interzone As the detective delves deeper he faces a series of cosmic challenges from an esoteric cathedral to an ethereal gateway and a cosmic apex The narrative takes unexpected turns weaving in the cosmic symphony a tapestry of temporal flux celestial symbols and occult mysteries Burroughs journey culminates in his rebirth as a cosmic guardian tasked with safeguarding Interzone s eternal secrets The beatniks Lexicographers and Nova accompany him in the ongoing dance of revelations and the novel concludes with a cosmic resonance that echoes through the neon jungle that is the Naked City of Interzone

Who Does That Bitch Think She Is? Craig Seligman, 2023-02-28 A vivid new history of drag told through the life of the pioneering queen Doris Fish In the 1970s queer people were openly despised and drag queens scared the public Yet this was the era when Doris Fish born Philip Mills in 1952 painted and padded his way to stardom He was a leader of the generation that prepared the world not just for drag queens on TV but for a society that is more tolerant and accepting of LGBTQ people How did we get from there to here In Who Does That Bitch Think She Is Craig Seligman looks at Doris life to provide some answers After moving to San Francisco in the mid 70s Doris became the driving force behind years of sidesplitting drag shows that were loved as much as you can love throwaway trash which is what everybody thought they were No one Doris included perceived them as political theater when in fact they were accomplishing satire s deepest dream not just to rail against society but to change it From the rise of drag shows to the obsession with camp to the conservative backlash and the onset of AIDS Seligman adds needed color and insight to this era in LGBTQ history revealing the origins and evolution of

drag When I Was Cool Sam Kashner, 2009-10-13 First student of the Jack Kerouac School of Disembodied Poetics Sam Kashner tells with humor and grace his life with the Beats But the best story is Kashner himself the coming of age of a young man in the chaotic world of the very idols he hoped to emulate This P S edition features an extra 16 pages of insights into the book including author interviews recommended reading and more *German Cinema in the Age of Neoliberalism* Hester Baer, 2025-10-01 This book presents a new history of German film from 1980 2010 a period that witnessed rapid transformations including intensified globalization a restructured world economy geopolitical realignment and technological change all of which have affected cinema in fundamental ways Rethinking the conventional periodization of German film history Baer posits 1980 rather than 1989 as a crucial turning point for German cinema s embrace of a new market orientation and move away from the state sponsored film culture that characterized both DEFA and the New German Cinema Reading films from East West and post unification Germany together Baer argues that contemporary German cinema is characterized most strongly by its origins in and responses to advanced capitalism Informed by a feminist approach and in dialogue with prominent theories of contemporary film the book places a special focus on how German films make visible the neoliberal recasting of gender and national identities around the new millennium *Confessions of the Other Mother* Harlyn Aizley, 2006-05-01 One of the few books to explore lesbian parenting these hilarious heart wrenching painfully honest tales of mommyhood celebrate the ups and downs of being an LGBTQIA parent in the 21st century Joey Solloway creator of *Transparent* After author Harlyn Aizley gave birth to her daughter she watched in unanticipated horror as her partner scooped up the baby and said I m your new mommy While they both had worked to find the perfect sperm donor Aizley had spent nine months carrying the baby and hours in labor so how could her partner claim to be their child s mommy Many diapers later Aizley began to appreciate the complexity of her partner s new role as the other mother Together they searched for stories about families like their own in which a woman has chosen to forgo her own birth experience so that she might support her partner in hers They found very few Now in *Confessions of the Other Mother* Aizley has put together an exciting collection of personal stories by women like her partner who are creating new parenting roles redefining motherhood and reshaping our view of two parent families Contributors include Hillary Goodridge who was one of the lead plaintiffs in the case for same sex marriage in Massachusetts stand up comedian Judy Gold and psychologist and author Suzanne M Johnson This candid peek into a previously unexamined side of lesbian parenting is full of stories that are sometimes humorous sometimes moving but at all times celebratory Each parenting tale sheds light on the many facets of motherhood offering gay and straight readers alike a deeper understanding of what it means to love and parent in the twenty first century
