Naked City:

Naked City Sharon Zukin, 2009-12-18 As cities have gentrified educated urbanites have come to prize what they regard as authentic urban life aging buildings art galleries small boutiques upscale food markets neighborhood old timers funky ethnic restaurants and old family owned shops These signify a place s authenticity in contrast to the bland standardization of the suburbs and exurbs But as Sharon Zukin shows in *Naked City* the rapid and pervasive demand for authenticity evident in escalating real estate prices expensive stores and closely monitored urban streetscapes has helped drive out the very people who first lent a neighborhood its authentic aura immigrants the working class and artists Zukin traces this economic and social evolution in six archetypal New York areas Williamsburg Harlem the East Village Union Square Red Hook and the city s community gardens and travels to both the city s first IKEA store and the World Trade Center site She shows that for followers of Jane Jacobs this transformation is a perversion of what was supposed to happen Indeed *Naked City* is a sobering update of Jacobs legendary 1961 book *The Death and Life of Great American Cities* Like Jacobs Zukin looks at what gives neighborhoods a sense of place but argues that over time the emphasis on neighborhood distinctiveness has become a tool of economic elites to drive up real estate values and effectively force out the neighborhood characters that Jacobs so evocatively idealized

by Dick Drost a self made millionaire who built his sex media empire from the confines of his wheelchair He was a savvy self promoter hustler whose skills rivaled those of P T Barnum Larry Flynt and the infamous Reverend Jim Jones Yet despite his incredible fame wealth he was almost assassinated kicked out of the state of Indiana for a decade and died penniless alone Much mythology has built up around Drost and Naked City over the years He was featured in countless newspaper magazine articles and even a documentary film but up until now no one has told the whole story about this unique part of 1970 s Americana I have researched every article available and interviewed numerous witnesses to write a detailed account of this lost piece of history I also have a personal perspective to tell the story from as my family attended Naked City during its heyday

The Naked City Malvin Wald, Albert Maltz, 1979 This is the first film shot by a Hollywood producer to make the island of Manhattan into a film studio Shot as a semi documentary at 107 locations through out the city Malvin Wald Albert Maltz and Jules Dassin skillfully used the city as protagonist and intensified the credibility of the story and its human characters Based on unsolved cases he found in New York police files Malvin Wald s suspenseful tale of murder theft and conspiracy was nominated for an Academy Award as Best Story in 1949 The cinematographer William Daniels and the film editor Paul Weatherwax won Oscars for their work Asked to create a role for James Stewart as the detective Wald found that the research he had done and his personal knowledge of the detectives and their methods made that impossible His police lieutenant emerged as a sixty five year old veteran with an Irish brogue and Barry Fitzgerald was given his now classic role The Naked City established a film style that is still used It
