intermingled thematic and formal preoccupations of Romantic thought and literary practice in works by twentieth century British Irish and American artists this collection examines the complicated legacy of Romanticism in twentieth century novels poetry and film Even as key twentieth century cultural movements have tried to subvert or debunk Romantic narratives of redemptive nature individualism perfectibility and the transcendence of art the forms and modes of feeling associated with the Romantic period continue to exert a signal influence on the modern moment both as a source of tension and as creative stimulus As the essays here show the exact meaning of the Romantic bequest may be bitterly contested but it has been difficult to leave behind The contributors take up a wide range of authors including Virginia Woolf F Scott Fitzgerald W H Auden Doris Lessing Seamus Heaney Hart Crane William Faulkner Don DeLillo and Jonathan Franzen What emerges from this lively volume is a fuller picture of the persistence and variety of the Romantic period s influence on the twentieth century

**The Naked Text** Sheila Delany, Professor of English Sheila Delany, 1994-01-01 Delany s book is the most convincing argument yet for the importance of the Legend both on its own terms and in terms of Chaucer s career and literary climate She convincingly demolishes the sense of the work on the part of its detractors and defenders as naive or obvious Instead she rediscovers a surprisingly unrecognized Chaucerian ironic mode which in light of feminist theory complicates Chaucer s place vis a vis the representation of women It will be the most widely cited study of the Legend of Good Women for some time to come John M Ganim author of Chaucerian Theatricality After this book it will never be possible to trivialize the Legend or to underestimate its importance in the canon of Chaucer s works again This beautifully written book is more than just another book on Chaucer this is a book on Chaucer that we really need R A Shoaf editor of Chaucer s Troilus and Criseyde **Writers Directory** NA NA, 2016-03-05 *Poetic License* Marjorie Perloff, 1990 In *Poetic License* Perloff insists that despite the recent interest in opening up the canon our understanding of poetry and poetics is all too often ruttin in conventional notions of the lyric that shed little light on what poets and artists are actually doing today **The Reader's Adviser** Sarah L.
