Nameless Ones:

The Nameless Ones Melanie Vanderboom,2019-08-24 Imagine a world without names Every child is raised by a single system Governments taking away children upon birth and raising them nameless merely a number in a system until the age of sixteen when the children reach Nascency and are released into the world What happens if the System takes it a step further and decides they get to choose who is deserving of life What if you are one of the ones they decide doesn't quite meet their requirements Friendships aren't encouraged in the compound because no one knows where they are going to end up when they leave It can be traumatizing to find out your best friend is going to be living across the world from you not even in the same timezone Of course there are always a few people who refuse to listen to these rules though myself for example The commotion down the hall is being caused by two people in the C year They've been a couple for almost two years now and the enforcers caught them being a little too friendly in the hallway They pull the girl off of the guy and begin to drag her down the hall away from him The girl is screaming and yet no one does anything not even when the enforcers continually electrifying her with the prod The boy is lying on the ground his nose bleeding It's all part of the system and we have to trust the system *The Nameless Ones* John Connolly,2021-10-26 In Amsterdam four bodies violently butchered are discovered in a canal house the remains of friends and confidantes of the assassin known only as Louis The men responsible for the murders are Serbian war criminals They believe they can escape retribution by retreating to their homeland They are wrong For Louis has come to Europe to hunt them down five killers to be found and punished before they can vanish into thin air There is just one problem The sixth *The Nameless Ones* Leslie Vardre,1967 ***The Nameless Ones*** Lesley Egan,1967
