Nameless Women of The Bible Susan Maluschka, 2019-10-29 Eve Sarah Ruth Mary we are very familiar with these biblical women and we know their stories by heart but what about the women we are not given names for There are many women in the Bible that give us their stories but we have no idea what their name is Some were positive role models in showing us how to live Christian lives and some were examples of what not to do It doesn't matter if their contribution takes up a paragraph or a single sentence we can learn from these nameless women This study will help you to put yourself in their shoes These wives daughters and mothers each played a part in God's plan for the world and have a story to tell By going through each instance carefully we might begin to see them in a different light and discover a lesson we didn't even know was there Everyone plays a part in God's plan for this world and it's time these ladies received some recognition for their efforts Nameless Women of the Bible is a twelve part study that looks deeper into the stories of these women from their family relationships to the impact their actions have on the community Once again their actions speak and we have only to listen and learn
