Malik, 2015-02-06 The prospect of kissing someone for the first time is crazy scary exciting For most of us it marks a step into adulthood the first validation of our appeal to the opposite sex That first kiss will go down in your history of firsts and you want to be able to recall the memory fondly I imagined my first kiss to look like the kissing scenes on TV with a handsome and charming partner slowly leaning towards my coy yet expert lips But first kisses seldom have the advantage of a seasoned director and cameramen zooming in at precise perfect angles the way they do on TV By virtue of inexperience and any real knowledge my first kiss was awkward and clumsy But yours doesn't have to be By learning how to kiss and how NOT to kiss in advance and prepping for that special moment your first kiss can be oh so much more graceful and sophisticated than mine was For this short read I'm going to be your personal kissing coach We'll leave no stone unturned and by the end of the book you'll kiss like a pro Sweet yet smooth excited yet confident romantic yet racy So pucker up and let's get started
