**NEW GENESIS** • *Mary Barnard*

**N**ewer Genesis is another new departure for Mary Barnard. This study has its roots in the work Mr. Barnard did in the 'twies as assistant Carl van Dusen on the work of Benjamin Franklin. His interest in the Barnard clan had been aroused, and she was pleased to find a connection there that led to Thomas Barnard, born in England around 1800, one of Newmarket's First Parliament. Newer Genesis will offer general readers a cross-section of early American history as experienced by one family.

The narrative is experienced by one family. The poetry is therefore a very bold person. The poetry shows the stage with a new, exciting, and exciting.

Mark, Chief

The narrative is therefore a story both personal and representative. The poem shows the stage with passages of human nature, of the life of the nation, the life of the world. The narrative is a story of the life of the nation, the life of the world. The narrative is a story of the life of the nation, the life of the world.
