## **Napoleon And Hitler:**

**Napoleon and Hitler** Desmond Seward, 2013-06-25 Napoleon Bonaparte and Adolf Hitler were two of history's greatest dictators. In this ground-breaking study, Desmond Seward finds striking parallels between their careers and their roles in shaping the destiny of modern Europe. He also shows how Carl von Clausewitz's classic treatise *On War*, a penetrating analysis of the Napoleonic campaigns read and re-read by Hitler, provides a crucial link between the two men. Napoleon and Hitler demonstrates in an entirely new way how history can repeat itself and gives new and unexpected insights into these two terrible giants of modern times. A careful study, clearly written, easy to read. He takes us through the careers of both men in turn, side by side, noting the similarities as he goes along. I am reminded of Plutarch's parallel lives of the great Greeks and Romans. His interesting book deserves to be read both by those who would demonise Hitler and those who are dazzled by Napoleon. Hugh Trevor Roper, Sunday Telegraph. Desmond Seward is right to draw attention to their similarities and to their differences. We should study both. Both are among the possibilities inherent in our civilisation. Independent. Solid historical biography with a compelling historical slant. Booklist. A clever and cohesive look at megalomania in action. Kirkus Review.

**Napoleon and Hitler**, 1988      **Napoleon Vs Hitler** Victoria J Freedom, 2025-08-09 Napoleon vs Hitler: Destruction Under Their Rule. What drives a leader to conquer? What happens when ambition meets destruction? In this gripping exploration of history's two most infamous figures, Napoleon Bonaparte and Adolf Hitler, you'll dive deep into their relentless quests for power, two men whose legacies changed the course of history. But what sets them apart? One aimed to build an empire while the other sought to reshape the world through genocide. The consequences of their actions left scars on the world that still resonate today. In *Napoleon vs Hitler: Destruction Under Their Rule*, you'll witness the rise, ambition, and ultimate downfall of two leaders whose actions forever altered Europe and the globe. Napoleon, a military genius, transformed Europe through innovative tactics and groundbreaking reforms. But his unyielding desire for dominance led to war, devastation, and his eventual undoing. Hitler, driven by racial hatred and a brutal ideology, pushed the world into World War II, committing unimaginable atrocities, leaving behind a legacy of genocide and moral ruin. This isn't just a comparison of tactics; this is an exploration of empire building vs. annihilation, leadership vs. hatred, and the horrific consequences of unchecked power. Who should read this book? If you're fascinated by history, power, and the human cost of ambition, this book is for you. If you've ever wondered what happens when absolute power leads to ultimate destruction and how the world grapples with such legacies, this book will answer your questions. Whether you're a student of history, a lover of in-depth analysis, or someone who wants to understand the stark contrasts between these two men and the horrors they unleashed, this book offers you a journey into the heart of what shaped modern Europe and the lessons we must never forget.
