Cultural Imperialism in a European Context?

Michael Broers

Napoleonic Empire In Italy 1796-1814 Cultural Imperialism In A European Context

Alan I. Forrest, Peter H. Wilson

Napoleonic Empire In Italy 1796-1814 Cultural Imperialism In A European Context:

The Napoleonic Empire in Italy, 1796-1814 M. Broers, 2004-12-07 Broers repositions the context in which the Napoleonic empire can be studied and reconfigures the political and historical geography of Italy in the century before its Unification in 1859 The Napoleonic Empire in Italy marks a fresh departure in the study of both modern Italy and Napoleonic Europe based on primary sources

The Napoleonic Empire in Italy, 1796-1814 Michael Broers, 2005-03-02 In The Napoleonic Empire in Italy 1796-1814 Michael Broers brings to bear on the Napoleonic Empire many of the conceptual tools deployed in the study of the great extra European colonial empires Cultural imperialism and acculturation find close counterparts in many of the policies and attitudes of French administrators in their Italian provinces explored here from the rich sources of the Parisian and Italian archives long neglected by scholars Broers repositions the context in which the Napoleonic Empire can be studied and reconfigures the political and historical geography of Italy in the century before its Unification in 1859 The Napoleonic Empire in Italy marks a fresh departure in the study of both modern Italy and Napoleonic Europe based on primary sources

French Rule in the States of Parma, 1796-1814 Doina Pasca Harsanyi, 2022-04-28 This book addresses the interplay between collaboration and resistance during the Revolutionary Napoleonic era in the Duchies of Parma Piacenza and Guastalla renamed States of Parma in 1802 and Department of Taro in 1808 Considered no more than a docile backwater in 1796 the country exploded in violent rebellion at the end of 1805 to the astonishment of the French imperial establishment and of Napoleon himself Yet the insurgency duly suppressed by the French military did not beget further confrontation French administrators determined to demonstrate that the empire was a force for good and local citizens compelled to reassess their circumstances realistically settled for cooperation in the form of protracted give and take arrangements In recounting the events this book highlights local agency and the myriad ways Parma's population harnessed the power of empire to shape what eventually became the Napoleonic legacy in the region

Europe Under Napoleon Michael Broers, 2014-11-18 Napoleon Bonaparte dominated the public life of Europe like no other individual before him Not surprisingly the story of the man himself has usually swamped the stories of his subjects This book looks at the history of the Napoleonic Empire from an entirely new perspective that of the ruled rather than the ruler Michael Broers concentrates on the experience of the people of Europe particularly the vast majority of Napoleon's subjects who were neither French nor willing participants in the great events of the period during the dynamic but short lived career of Napoleon when half the European continent fell under his rule In a new edition of a highly acclaimed book Broers weaves together a myriad of regional experiences to produce a social history of the Napoleonic Empire with a truly panoramic scope

The Life of J.D. Åkerblad Fredrik Thomasson, 2013-01-07 Johan David Åkerblad 1763-1819 contributed to the decipherment of Egyptian hieroglyphs and Demotic and is known as a predecessor of Jean-François Champollion This intellectual biography offers a new and less heroic interpretation of the first reading of the Egyptian scripts Åkerblad an exceptional linguist was a diplomat and

orientalist who spent several decades living in the Ottoman Empire France and Italy Of humble birth he was a supporter of the French Revolution something that stymied his career His life cannot be understood in a purely Swedish national framework and this study firmly situates him as an international scholar The book discusses European expansion in the Eastern Mediterranean during the tumultuous decades around the year 1800 and traces Kerblads momentous life in relation to the debates on orientalism the tradition of classical studies and the history of science

Empires of Violence Philip Dwyer, Barbara Alice Mann, Nigel Penn, Lyndall Ryan, 2025-10-30 Violence was a constant on all colonial frontiers from the British expansion into the Australian and African continents to the expansion of the United States and the Napoleonic Empire s many incursions into Europe Yet how did the forms of violence perpetrated in these four corners of the world compare Did the oppression and exploitation of colonized peoples constitute a new form of violence Or was it the same that Europeans had always used against conquered peoples In this book four experts specializing in four different regions of the world come together to interrogate the violence committed against Indigenous peoples between 1780 and 1820 Showing how violence and massacre were a tool at the disposal of the colonizer and often used to subjugate unruly populations they examine the changing nature of warfare and killing from both a European and Indigenous perspective Empires of Violence shows how race othering and fear were maintained and buoyed by violence in spite of prevailing discourses on humanitarianism civilization and progress

The British Soldier in the Peninsular War G. Daly, 2013-07-23 Combining military and cultural history the book explores British soldiers travels and cross cultural encounters in Spain and Portugal 1808 1814 It is the story of how soldiers interacted with the local environment and culture of their attitudes and behaviour towards the inhabitants and how they wrote about all this in letters and memoirs

The Invisible Emperor Mark Braude, 2019-10-08 A suspenseful fast paced account Braude s prose glints with humor and humanity Seattle Times A gripping narrative history of Napoleon Bonaparte s ten month exile on the Mediterranean island of Elba In the spring of 1814 Napoleon Bonaparte was defeated Having overseen an empire spanning half the European continent and governed the lives of some eighty million people he suddenly found himself exiled to Elba less than a hundred square miles of territory This would have been the end of him if Europe s rulers had had their way But soon enough Napoleon imposed his preternatural charisma and historic ambition on both his captors and the very island itself plotting his return to France and to power After ten months of exile he escaped Elba with just over a thousand supporters in tow marched to Paris and retook the Tuileries Palace all without firing a shot Not long after tens of thousands of people would die fighting for and against him at Waterloo Braude dramatizes this strange exile and improbable escape in granular detail and with novelistic relish offering sharp new insights into a largely overlooked moment He details a terrific cast of secondary characters including Napoleon s tragically noble official British minder on Elba Neil Campbell forever disgraced for having let Boney slip away and his young second wife Marie Louise who was twenty two to Napoleon s forty four at the time of his abdication What emerges is a surprising new

perspective on one of history's most consequential figures which both subverts and celebrates his legendary persona

Russia and the Napoleonic Wars Janet M. Hartley, Paul Keenan, Dominic Lieven, 2015-09-15 Russia played a fundamental role in the outcome of Napoleonic Wars the wars also had an impact on almost every area of Russian life Russia and the Napoleonic Wars brings together significant and new research from Russian and non Russian historians and their work demonstrates the importance of this period both for Russia and for all of Europe *Antecedents of Censuses from Medieval to Nation States* Rebecca Jean Emigh, Dylan Riley, Patricia Ahmed, 2016-01-26 *Antecedents of Censuses From Medieval to Nation States* the first of two volumes examines the influence of social formations on censuses from the medieval period through current times The authors argue that relative influence of states and societies is probably not linear but depends on the actual historical configuration of the states and societies as well as the type of population information being collected They show how information gathering is an outcome of the interaction between states and social forces and how social resistance to censuses has frequently circumvented their planning prevented their implementation and influenced their accuracy **Music in the Present Tense** Emanuele Senici, 2019-11-13 In the early 1800s Rossini's operas permeated Italy from the opera house to myriad arrangements heard in public and private But after Rossini stopped composing a sharp decline in popularity drove most of his works out of the repertory In the past half century they have made a spectacular return to operatic stages worldwide but this recent fame has not been accompanied by a comparable critical reevaluation Emanuele Senici's new book provides a fresh look at the motives behind the Rossinian furore and its aftermath by examining the composer's works in the historical context in which they were conceived performed seen heard and discussed Situating the operas firmly within the social practices cultural formations ideological currents and political events of early nineteenth century Italy Senici reveals Rossini's dramaturgy as a radically new and specifically Italian reaction to the epoch making changes witnessed in Europe at the time The first book length study of Rossini's Italian operas to appear in English *Music in the Present Tense* exposes new ways to explore nineteenth century music and addresses crucial issues in the history of modernity such as trauma repetition and the healing power of theatricality *The Encyclopedia of the French Revolutionary and Napoleonic Wars* Gregory Fremont-Barnes, 2006 This comprehensive three volume work on the French Revolution and Napoleon's rule and campaigns covers a wide range of military political social and cultural events and personalities during a time of dramatic change in Europe In three extraordinarily rich volumes *The Encyclopedia of the French Revolutionary and Napoleonic Wars* captures the full sweep and legacy of the transformation of Europe from 1792 to 1815 Its nearly 900 alphabetically organized fully cross referenced entries provide students and general readers with vivid biographies of politicians sovereigns and commanders accounts of battles weaponry and diplomatic affairs insights into the art music and culture of the times and much more Unlike other works on the subject this encyclopedia combines coverage of Napoleon's rule with that of the crucial Revolutionary years in France that set the stage for his rise to power It includes contributions

from the most wide ranging group of international experts ever assembled for a work on this era Students will see the full continent wide impact of France s evolution from aristocracy to democracy to military autocracy and explore the effects of nationalism empire building industrialization and international conflict which resonate with more relevance today than ever

Encyclopedia of the Age of Political Revolutions and New Ideologies, 1760-1815 Gregory Fremont-Barnes,2007 Covers the people events and ideas that shaped the transformative political ideologies arising from the American and French Revolutions

The Bee and the Eagle Alan I. Forrest,Peter H. Wilson,2009-01-15 The Bee and the Eagle brings together a team of international specialists to present original findings on six key themes of Empire political cultures war and military institutions monarchy nationalism and identity and everyday experience With a comparative approach it begins in 1806 at the dissolution of the Holy Roman Empire and its replacement by a French sponsored new political order

Nationalism R. J. B. Bosworth,2007 The ideology which stood behind the largest events of the 20th century is explained from an historical perspective enhancing the understanding of the most erratic dynamic and enduring of belief systems

A Great and Glorious Victory Richard Harding,2008 In October 2005 an international naval conference was held at Portsmouth and well known historians and naval officers from around the world including Colin White Brian Lavery Contre Amiral Remi Monaque and Admiral Sir Jonathan Band now First Sea Lord gave a series of papers on aspects of the battle of Trafalgar Containing a wealth of new information they are now form the core of this book Twelve chapters cover every aspect of the battle but also explore important associated themes such as the Grand Armee and the invasion threat and the British defenses against invasion in the years before 1805 On the battle itself there are pieces on the ships men and the tactics and important chapters from the French and Spanish perspectives Perhaps the most groundbreaking contribution is from the Inshore Squadron a naval war gaming group which produced a timeline that is the most accurate yet available and reveals amongst other things the nature of the ship on ship actions and the timing of some of the set events Put into its strategic political and economic context the battle is brought to life in a way which distinguishes it from all the other accounts that have appeared and offers enthusiasts and historians the most up to date and important reassessment that is available

MLN. ,2005 MLN pioneered the introduction of contemporary continental criticism into American scholarship Critical studies in the modern languages Italian Hispanic German French and recent work in comparative literature are the basis for articles and notes in MLN Four single language issues and one comparative literature issue are published each year

International Bibliography of Historical Sciences Massimo Mastrogregori,2009 Annually published since 1930 the International Bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The IBOHS is thus currently the only continuous bibliography of its kind covering such a broad period of time spectrum of subjects and geographical range The works are arranged systematically according to period region or historical discipline

and alphabetically according to authors names or in the case of anonymous works by the characteristic main title word The bibliography contains a geographical index and indexes of persons and authors **Police et gendarmerie dans l'Empire napoléonien** Jacques-Olivier Boudon, 2013-02-01 Ces travaux de recherche sur la police et la gendarmerie conduisent une réflexion plus large qui montre combien la police impériale est héritière d'une tradition d'Ancien Régime même si elle innove aussi sur bien des points L'ensemble des études proposées illustrent le rôle qu'ont joué police et gendarmerie dans la lutte contre l'insécurité mais aussi dans l'instauration d'un ordre napoléonien travers l'Europe Bibliographic Index ,2008
