

Napoleonic Wars

John Grehan, Martin Mace

Napoleonic Wars:

Napoleonic Wars Frederick C. Schneid, 2012 The essential bibliography of the Napoleonic Wars **The Napoleonic Wars 1803-1815** David Gates, 2011-06-08 Known collectively as the Great War for over a decade the Napoleonic Wars engulfed not only a whole continent but also the overseas possessions of the leading European states A war of unprecedented scale and intensity it was in many ways a product of change that acted as a catalyst for upheaval and reform across much of Europe with aspects of its legacy lingering to this very day There is a mass of literature on Napoleon and his times yet there are only a handful of scholarly works that seek to cover the Napoleonic Wars in their entirety and fewer still that place the conflict in any broader framework This study redresses the balance Drawing on recent findings and applying a total history approach it explores the causes and effects of the conflict and places it in the context of the evolution of modern warfare It reappraises the most significant and controversial military ventures including the war at sea and Napoleon's campaigns of 1805-9 The study gives an insight into the factors that shaped the war setting the struggle in its wider economic cultural political and intellectual dimensions *Wars Against Napoleon* General Michel Franceschi, Ben Weider, 2008-02-04 Popular and scholarly history presents a one dimensional image of Napoleon as an inveterate instigator of war who repeatedly sought large scale military conquests General Franceschi and Ben Weider dismantle this false conclusion in *The Wars Against Napoleon* a brilliantly written and researched study that turns our understanding of the French emperor on its head Avoiding the simplistic clichés and rudimentary caricatures many historians use when discussing Napoleon Franceschi and Weider argue persuasively that the caricature of the megalomaniac conqueror who bled Europe white to satisfy his delirious ambitions and insatiable love for war is groundless By carefully scrutinizing the facts of the period and scrupulously avoiding the sometimes confusing cause and effect of major historical events they paint a compelling portrait of a fundamentally pacifist Napoleon one completely at odds with modern scholarly thought This rigorous intellectual presentation is based upon three principal themes The first explains how an unavoidable belligerent situation existed after the French Revolution of 1789 The new France inherited by Napoleon was faced with the implacable hatred of reactionary European monarchies determined to restore the ancient regime All out war was therefore inevitable unless France renounced the modern world to which it had just painfully given birth The second theme emphasizes Napoleon's determined efforts bordering on an obsession to avoid this inevitable conflict The political strategy of the Consulate and the Empire was based on the intangible principle of preventing or avoiding these wars not on conquering territory Finally the authors examine conflict by conflict the evidence that Napoleon never declared war As he later explained at Saint Helena it was he who was always attacked not the other way around His adversaries pressured and even forced the Emperor to employ his unequalled military genius After each of his memorable victories Napoleon offered concessions often extravagant ones to the defeated enemy for the sole purpose of avoiding another war Lavishly illustrated persuasively argued and carefully illustrated with

original maps and battle diagrams The Wars Against Napoleon presents a courageous and uniquely accurate historical idea that will surely arouse vigorous debate within the international historical community [The Napoleon Options](#) Jonathan North,2017-05-31 Compelling fictional scenarios exploring how the Napoleonic Wars could have gone very differently This compelling alternate history brilliantly written by fourteen leading international authors presents the great maybes of the Napoleonic Wars It focuses on some of the pivotal episodes of these catastrophic wars giving them a resounding twist and explores in detail an alternative sequence of historical events Rooted firmly in reality and projected from entirely factual events these dramatic and plausible possibilities are played out as though they actually happened in vivid and dramatic narratives The Napoleon Options presents ten scenarios spanning the years between 1796 and 1815 These include a full blown French invasion of Ireland a very real danger in the 1790s Napoleon s successful conquest of Egypt and the Middle East Junot s victory at Vimerio the Austrian invasion of Bavaria in 1809 the Russian success at Borodino and what might have happened at Waterloo Among the additional contributions in this new extended edition are alternative outcomes to the battles of Essling Austerlitz Fuentes d Ooro and New Orleans These captivating scenarios colorfully illustrate how alternate results might have radically reshaped events and demonstrate the far reaching consequences minor changes could have had upon the future course of history [The French Revolutionary and Napoleonic Wars](#) Jeremy Black,2021-02-09 The wars between 1792 and 1815 saw the making of the modern world with Britain and Russia the key powers to emerge triumphant from a long period of bitter conflict In this innovative book Jeremy Black focuses on the strategic contexts and strategies involved explaining their significance both at the time and subsequently Reinterpreting French Revolutionary and Napoleonic warfare strategy and their consequences he argues that Napoleon s failure owed much to his limitations as a strategist Black uses this framework as a foundation to assess the nature of warfare the character of strategy and the eventual ascendance of Britain and Russia in this period Rethinking the character of strategy this is the first history to look holistically at the strategies of all the leading belligerents from a global perspective It will be an essential read for military professionals students and history buffs alike [Napoleon and the Napoleonic Wars](#) Albert Marrin,1993 Follows Napoleon Bonaparte from his origins as a lowly soldier to his rise to military power and his conquest of Europe [The Wars of Napoleon](#) Charles J. Esdaile,2014-02-04 A survey of the Napoleonic Wars The central theme is the scale of French military power and its impact on other European states from Portugal to Russia and from Scandinavia to Sicily [The Napoleonic Wars](#) Alexander Mikaberidze,2020 The first truly global history of the Napoleonic Wars the world s first world war [The Napoleonic Wars in 100 Facts](#) Jem Duducu,2015-05-15 Discover the history behind the facts [The Napoleonic Wars: A Very Short Introduction](#) Michael Rapport,2013-01-31 The Napoleonic Wars left their mark on European and world societies in a variety of ways not least from the radical social and political change they evoked in many countries Examining the social political and institutional aspects of warfare in the Napoleonic era Mike Rapport considers their significance and

the legacy they leave today **The Napoleonic Wars** Mike Rapport,2013-01-31 The Napoleonic Wars have an important place in the history of Europe leaving their mark on European and world societies in a variety of ways In many European countries they provided the stimulus for radical social and political change particularly in Spain Germany and Italy and are frequently viewed in these places as the starting point of their modern histories In this Very Short Introduction Mike Rapport provides a brief outline of the wars introducing the tactics strategies and weaponry of the time Presented in three parts he considers the origins and course of the wars the ways and means in which it was fought and the social and political legacy it has left to the world today **ABOUT THE SERIES** The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable [The History of Napoleonic Wars](#) Charles Downer Hazen,2023-11-19

In [The History of Napoleonic Wars](#) Charles Downer Hazen meticulously chronicles the tumultuous era of the Napoleonic Wars encompassing the military political and social ramifications that reshaped Europe at the turn of the 19th century Hazen's scholarly approach combines rigorous historical analysis with a narrative style that is both engaging and accessible allowing readers to appreciate the complexities of the various campaigns and the multifaceted figures involved By situating the wars within a broader context of European upheaval Hazen elucidates not only the strategies of leaders like Napoleon Bonaparte but also the effects on nations and populations thus providing a comprehensive view of this defining historical period Charles Downer Hazen was a prominent historian whose expertise in European history helped him craft this authoritative work His educational background and keen interest in the intricacies of military history are evident as he weaves personal insights with scholarly research Hazen's commitment to presenting a balanced portrayal of the Napoleonic Wars is indicative of his desire to foster a deeper understanding of history's enduring impact on contemporary society Readers drawn to the complexities of historical narratives and the influence of warfare on societal change will find [The History of Napoleonic Wars](#) an indispensable addition to their library Hazen's meticulous research and engaging prose illuminate an era that continues to resonate today making it a must read for students historians and general readers alike **Napoleon's Wars** Charles Esdaile,2008-08-28

Ancient history *Russia and the Napoleonic Wars* Janet M. Hartley,Paul Keenan,Dominic Lieven,2015-09-15 Russia played a fundamental role in the outcome of Napoleonic Wars the wars also had an impact on almost every area of Russian life Russia and the Napoleonic Wars brings together significant and new research from Russian and non Russian historians and their work demonstrates the importance of this period both for Russia and for all of Europe **The Napoleonic Wars** Gunther Erich Rothenberg,John Keegan,1999 This highly illustrated book narrates the rise astonishing success and eventual downfall of Napoleon and focuses on the conduct of the Napoleonic Wars the twelve years from 1803 to 1815 *The Napoleonic Wars* History Nerds, Immerse yourself in the epic saga of The Napoleonic Wars a riveting and comprehensive account that

Prepare to be enthralled, educated, and deeply moved by *The Napoleonic Wars*, a definitive and captivating exploration of an era marked by military brilliance, political intrigue, and the indomitable spirit of those who fought for glory and freedom.

British Battles of the Napoleonic Wars, 1793-1806 John Grehan, Martin

Mace, 2013-11-14. The Napoleonic Wars was truly a world wide conflict and Britain found itself engaged in battles, sieges and amphibious operations around the globe. Following every battle, the commanding officer submitted a report back to the Admiralty or the War Office. Presented here together for the first time are those original despatches from some forty generals, captains and admirals detailing more than eighty battles that took place in India, Africa, Europe and the Americas. This unique collection of original documents will prove to be an invaluable resource for historians, students and all those interested in what was one of the most important periods in British military and naval history. The reports include those from some of Britain's most famous battles, the likes of Trafalgar and Waterloo, as well as less well known but just as important engagements which resulted in the capture of the islands and territories which helped form the greatest empire the world has ever known.

Blundering to Glory Owen Connelly, 2006. Renowned for its accuracy, brevity and readability, this book has long been the gold standard of concise histories of the Napoleonic Wars. Now in an updated and revised edition, it is unique in its portrayal of one of the world's great generals as a scrambler who never had a plan, strategic or tactical, that did not break down or change of necessity in the field. Distinguished historian Owen Connelly argues that Napoleon was the master of the broken play, so confident of his ability to improvise, cover his own mistakes and capitalize on those of the enemy.

that he repeatedly plunged his armies into uncertain seemingly desperate situations only to emerge victorious as he blundered to glory Beginning with a sketch of Napoleon's early life the book progresses to his command of artillery at Toulon and the whiff of grapeshot in Paris that netted him control of the Army of Italy where his incredible performance catapulted him to fame The author vividly traces Napoleon's campaigns as a general of the French Revolution and emperor of the French knowledgeably analyzing each battle's successes and failures The author depicts Napoleon's art of war as a system of engaging the enemy waiting for him to make a mistake improvising a plan on the spot and winning Far from detracting from Bonaparte's reputation his blunders rather made him a great general a natural who depended on his intuition and ability to read battlefields and his enemy to win Exploring this neglected aspect of Napoleon's battlefield genius Connolly at the same time offers stirring and complete accounts of all the Napoleonic campaigns *The Napoleonic Wars (1)* Todd

Fisher,2014-06-06 While Napoleon prepared his army on the coast of France for an invasion of England that would never come Russia and Austria prepared to move against his rear Napoleon turned on the allies and crushed them in one of history's greatest campaigns The following year he met the legendary army of Frederick the Great and annihilated it completely The year after it was Russia's turn again and though the northern winter was the major foe it could not save the Tsar The world and warfare would never be the same again The Empires of Russia Austria Prussia and Britain were not weak How had Napoleon done this Why were his methods and his army different *Armies of the Napoleonic Wars* Gregory

Fremont-Barnes,2011-02-07 This authoritative military reference provides detailed analysis of the various armed forces that fought in the Napoleonic Wars The Napoleonic Wars were some of the most devastating and consequential in modern European history Yet for all the attention paid to these dramatic conflicts little focus is given to the composition organization and fighting efficiency of the armies who fought them Each force tends to be examined in isolation either in the context of an individual battle or as the instrument of a single commander Rarely have these armies been studied together in a single volume as they are in this fascinating reassessment edited by Gregory Fremont Barnes Leading experts on the Napoleonic Wars have been specially commissioned to produce an in depth analysis of a specific army The result is a vivid comparative portrait of ten of the most significant armies of the period and of military service and warfare in the early nineteenth century The volume covers the armies of Austria Britain the Confederation of the Rhine the Duchy of Warsaw France the Kingdom of Italy Portugal Prussia Russia and Spain
