Napoleonic Soldier

Philip G. Dwyer

Napoleonic Soldier:

Napoleon's Men Alan Forrest, 2006-06-23 Napoleon's soldiers marched across Europe from Lisbon to Moscow and from Germany to Dalmatia. Many of the men, mostly conscripted by ballot, had never before been beyond their native village. What did they make of their extraordinary experiences fighting battles thousands of miles from home, foraging for provisions or garrisoning towns in hostile countries? What was it like to be a soldier in the revolutionary and imperial armies? We know more about these men and their reactions to war than about the soldiers of any previous army in history, not just from official sources but from the large number of personal letters they wrote. *Napoleon's Men* provides a direct insight into the experiences and emotions of soldiers who risked their lives at Austerlitz, Wagram, and Borodino. Not surprisingly, their minds often dwelt as much on what was happening at home and on mundane questions of food and drink as on Napoleon himself or the glory of France.

Tactics and the Experience of Battle in the Age of Napoleon Rory Muir, 2000-01-01 What was it like to be a soldier on a Napoleonic battlefield? What happened when cavalry regiments charged directly at one another? What did the generals do during battle? Drawing on memoirs, diaries, and letters of the time, this dramatic book explores what actually happened in battle and how the participants' feelings and reactions influenced the outcome. Rory Muir focuses on the dynamics of combat in the age of Napoleon, enhancing his analysis with vivid accounts of those who were there: the frightened foot soldier, the general in command, the young cavalry officer whose boils made it impossible to ride, and the smartly dressed aide de camp tripped up by his voluminous pantaloons. This book sheds new light on how military tactics worked by concentrating on the experience of soldiers in the firing line. Muir considers the interaction of artillery, infantry, and cavalry; the role of the general, subordinate commanders, staff officers, and aides; morale, esprit de corps, and the role of regimental officers; soldiers' attitudes toward death and feelings about the enemy; the plight of the wounded; the difficulty of surrendering; and the way victories were finally decided. He discusses the mechanics of musketry, artillery, and cavalry charges and shows how they influenced the morale, discipline, and resolution of the opposing armies. This is a volume that will fascinate all readers with an interest in military history, European history, or the psychology of combat.

A Soldier for Napoleon Franz Joseph Hausmann, 2016-11-30 A good description of what it was like to be a member of the Royal Bavarian Army from the firsthand accounts of Lieutenant Franz Joseph Hausmann. HistoryNet: The letters and diaries of Lieutenant Franz Joseph Hausmann are here placed in the context of the military events of the period by renowned historian John Gill. They stem from Hausmann's first campaign in 1805 in the war against Austria, followed by the 1806 and 1807 campaigns in Prussia and Poland. In 1809 he was in action against the Tyrolean insurrection and he also fought at Abensberg and Znaim. He was only twenty-three when he embarked on the ill-fated 1812 invasion of Russia and served as part of the Bavarian corps that was shattered in this cataclysmic campaign. He survived to describe the 1813 campaign and the 1814 campaign in France when the Bavarians switched sides and fought against Napoleon. With additional commentary by John Gill on the Bavarian Army.

and its campaigns and battles this book is an important authoritative addition to the works on the Napoleonic Wars This book is a necessary read for anyone who wants to know what life was like for the common soldier of the period and what motivated them to do so much in the name of the Emperor The Napoleon Series **DIARY OF A NAPOLEONIC FOOT SOLDIER**

Jakob Walter,2012-05-09 A grunt s eye report from the battlefield in the spirit of The Red Badge of Courage and All Quiet on the Western Front the only known account by a common soldier of the campaigns of Napoleon s Grand Army between 1806 and 1813 When eighteen year old German stonemason Jakob Walter was conscripted into the Grand Army of Napoleon he had no idea of the trials that lay ahead The long grueling marches in Prussia and Poland sacrificed countless men to Bonaparte s grand designs And the disastrous Russian campaign tested human endurance on an epic scale Demoralized by defeat in a war few supported or understood deprived of ammunition and leadership driven past reason by starvation and bitter cold men often turned on one another killing fellow soldiers for bread or an able horse Though there are numerous surviving accounts of the Napoleonic Wars written by officers Walter s is the only known memoir by a draftee and as such is a unique and fascinating document a compelling chronicle of a young soldier s loss of innocence as well as an eloquent and moving portrait of the profound effects of war on the men who fight it Professor Marc Raeff has added an Introduction to the memoirs as well as six letters home from the Russian front previously unpublished in English from German conscripts who served concurrently with Walter The volume is illustrated with engravings and maps contemporary with the manuscript from the Russian Soviet and East European collections of the New York Public Library Honest heartfelt deeply personal yet objective The Diary of a Napoleonic Foot Soldier is more than an informative and absorbing historical document it is a timeless and unforgettable account of the horrors of war **Fighting for Napoleon** Bernard Wilkin,René

Wilkin,2015-11-30 True first hand accounts of combat and soldiering from the men who fought for Napoleon Bonparte and the First French Empire Fascinating stuff Stuart Asquith author of Military Modelling The French side of the Napoleonic Wars is often presented from a strategic point of view or in terms of military organization and battlefield tactics or through officers memoirs Fighting for Napoleon French Soldiers Letters 1799 1815 based on more than sixteen hundred letters written by French soldiers of the Napoleonic armies shares the perspectives and experiences of the lowest ordinary ranks of the army who fought on the frontlines Authors Bernard Wilkin and Ren Wilkin provide an informative read of common soldiers lives for military and cultural historians as well as a fascinating counterpoint to the memoirs of Cpt Jean Roch Coignet Col Marcellin de Marbot or Sgt Adrien Bourgogne A superb guide to the experience and motivation of military service that is based on a wide trawl of relevant letters A first rate work that is of much wider significance Professor Jeremy Black author of The Battle of Waterloo Provides the reader with a good insight into the lives of ordinary French of the Napoleonic Wars Direct accounts of campaigns and battle recruitment and training barrack life the experience of captivity and being wounded are all here based on letters written most by uneducated men to their immediate family This really is

fascinating stuff and surely a must for students of Napoleonic warfare Stuart Asquith author of Military Modelling Guide to Solo Wargaming

A Boy Soldier in Napoleon's Army Thomas Cardoza,2017-11-30 In 1800 Jacques Chevillet enlisted in Napoleon's French Army He was 14 years old Assigned to a light cavalry regiment Chevillet learned to ride to fight and to mix it up with his comrades in duels and barracks pranks He fought his first duel at age 15 over a girl In the next decade Chevillet travelled through France Luxembourg the Netherlands Germany Austria Italy Croatia and Hungary He fought in three major battles as well as many skirmishes and patrol actions and received wounds from bullets sabers and artillery He stole food from his colonel looted farm houses fell in love spent more than his share of time in military prisons and eventually he even grew up receiving a battlefield promotion to sergeant in 1809 Despite serving in the army of one of history's great authoritarians Chevillet kept a fierce independent streak and he refused to obey orders that he felt violated his personal liberty In this he was representative of a generation that served Napoleon but came of age in the heady times of the French Revolution and who still believed in Liberty Equality and Fraternity even as they rode to victory in the Emperor's conquest of Europe Chevillet's military career came to end at the Battle of Wagram on July 5 1809 when he lost his right arm to an Austrian howitzer shell Wagram was the largest battle in the world up to that time and one of the bloodiest Afterwards Chevillet met Napoleon in person the only time he ever spoke to the Emperor received a pension and returned to France where he wrote these memoirs in 1810 1811 They are as far as we can tell the very first memoirs of the Napoleonic Wars to be written down and one of only a few by private soldiers They represent a rare detailed and vivid glimpse into the daily life of the common soldier

Redcoats Philip Haythornthwaite,2012-08-19 An overview of the life of a British Army soldier in the 19th century during the Napoleonic Wars What was a British soldier's life like during the Napoleonic Wars How was he recruited and trained How did he live on home service and during service abroad And what was his experience of battle In this landmark book Philip Haythornthwaite traces the career of a British soldier from enlistment through the key stages of his path through the military system including combat all the way to his eventual discharge His fascinating account shows how varied the recruits of the day were from urban dwellers and weavers to plowboys and laborers and they came from all regions of the British Isles including Ireland and Scotland Some of them may have justified the Duke of Wellington's famous description of them as the scum of the earth Yet these common soldiers were capable of extraordinary feats on campaign and on the battlefield that eventually turned the course of the war against Napoleon

French Napoleonic Infantryman 1803-15 Terry Crowdy,2023-10-12 A fascinating look at the realities of day to day life as a Napoleonic Infantryman This title draws on contemporary testimonies of life in Napoleon's army documenting the reality of conscription training camp life and combat action for the common infantry soldier In contrast to most works on this period it calls into question the propagandist views expounded by numerous Bonapartists the romantic notion of La Gloire is very much tempered by some hard hitting recollections of the horror and misery of military life 200 years ago Packed with prints taken from contemporary sources and

superb colour illustrations it provides a concise revealing and authentic portrait of life in the Grand Armée **The Art of Warfare in the Age of Napoleon** Gunther E. Rothenberg, 1980 Some 12 years ago it was estimated that well over 300 000 works existed on this period and since then several thousand more have appeared Therefore it might be reasonably argued that there is little room for another volume Nonetheless this vast outpouring of literature has usually dealt with major leaders specific battles or campaigns and with certain branches of the service Moreover at least in English the literature tends to concentrate primarily on the French or British armies There appears to be a lack of works combining a description of the major changes and trends in the art of war especially at the cutting edge of events with a discussion of the French military establishment and the armies of the major opponents British as well as continental And while this book is only a brief survey I do believe that it may serve as a contribution towards filling this gap in our historical knowledge of military institutions and fighting men The British Soldier in the Napoleonic Wars, 1793-1815 Antony Brett-James, 1970 The Napoleonic Soldier Stephen E. Maughan, 1999 Color photography depicts the uniforms and equipment as worn by live models gloriously re-creating the era Includes firsthand accounts from soldiers **Napoleonic Foot Soldiers and Civilians** Rafe Blaufarb, Claudia Liebeskind, 2011-01-26 By highlighting the experiences of common soldiers and civilians this volume by Rafe Blaufarb and Claudia Liebeskind presents a broad view of the Napoleonic Wars not found in typical military histories The introduction recounts the key events of the wars and how they marked a shift in the modern notion of total war and provides necessary political and military background on the issues of recruitment and evasion the military community combat and its aftermath the homefront and demobilization The rich collection of memoirs letters and popular engravings from familiar sources such as German infantryman Jakob Walter to an account of a French woman canteen worker offers contrasting voices some offered here in English for the first time These documents and images explore core civil military interactions including foraging plunder sexuality violence eating religion and commerce Headnotes to the documents a chronology questions for consideration and a selected bibliography provide pedagogical support **Napoleon Buonaparte. The Story of a Soldier, a Ruler, a Prisoner of State ... With ... Illustrations** Henry Boyle Lee, 1872 **Napoleonic Lives** Carole Divall, 2012-06-19 Two hundred years ago the Revolutionary and Napoleonic Wars convulsed the whole of Europe These were key events in the history of the continent and for Britain and they are a fascinating field for historical and family history research More records than ever are available on the men who served in the British army during the wars and on their families and Carole Divall's new book is the perfect guide to how to locate and understand these sources and get the most out of them She gives a vivid insight into what soldiers' lives were like during the period and shows how much of their experience can be recovered from the records Using the full range of sources contemporary military records correspondence diaries memoirs she reconstructs in detail the stories of a representative group of individuals who took part in the wars a soldier who saw action as a marine in the Mediterranean fleet a Gordon Highlander who was taken prisoner riflemen who

served at Walcheren in the Peninsula and at Waterloo artillery men who played a crucial role in battles and in sieges a gentry family whose sons served as officers in the Peninsula and in India and two remarkable women who were among the many who went to war with the men Carole Divalls informative and accessible book will be essential reading and reference for anyone who wants to find out about the Revolutionary and Napoleonic Wars and is keen to understand the part an ancestor played in them

Forging Napoleon's Grande Armée Michael J Hughes, 2012-05-07 A fascinating study exploring the motivation of French soldiers during the Napoleonic Era and the process through which they became Napoleon's men Frederick C Schneid author of Napoleon's Conquest of Europe The men who fought in Napoleon's Grande Armée built a new empire that changed the world Remarkably the same men raised arms during the French Revolution for liberty and fraternity In just over a decade these freedom fighters who had once struggled to overthrow tyrants rallied to the side of a man who wanted to dominate Europe What was behind this drastic change of heart In this ground breaking study Michael J Hughes shows how Napoleonic military culture shaped the motivation of Napoleon's soldiers Relying on extensive archival research and blending cultural and military history Hughes demonstrates that the Napoleonic regime incorporated elements from both the Old Regime and French Revolutionary military culture to craft a new military culture characterized by loyalty to both Napoleon and the preservation of French hegemony in Europe Underscoring this new hybrid military culture were five sources of motivation honor patriotism a martial and virile masculinity devotion to Napoleon and coercion Forging Napoleon's Grande Armée vividly illustrates how this many pronged culture gave Napoleon's soldiers reasons to fight Hughes offers a tight and well grounded exposition and analysis of French military culture in the Napoleonic period in which military honour is presented as a dynamic element Journal of European Studies Hughes's book not only contributes to our understanding of the military success of Napoleon's army but also elegantly employs cultural history methods to better understand army operations and sustained troop motivations Julia Osman History Reviews of New Book

The Soldier's Reward Jennifer Ngaire Heuer, 2024-12-03 A sweeping history of intimacy and family life in France during the age of revolution The French Revolution and Napoleonic Wars devastated Europe for nearly a quarter of a century The Soldier's Reward recovers the stories of soldiers and their relationships to family and domestic life during this period revealing how prolonged warfare transformed family and gender dynamics and gave rise to new kinds of citizenship In this groundbreaking work combining social cultural gender and military history Jennifer Ngaire Heuer vividly describes how men fought for years with only fleeting moments of peace Combatants were promised promotion financial gain and patriotic glory They were also rewarded for their service by being allowed to return home to waiting families and love interests and with marriages that were arranged and financially supported by the state Heuer explores competing ideas of masculinity in France as well as the experiences of the men and women who participated in such marriages She argues that we cannot fully understand the changing nature of war and peace in this period without considering the important roles played by family gender and

romantic entanglements Casting new light on a turbulent era of mass mobilization and seemingly endless conflict The Soldier's Reward shows how from the Revolution through the Restoration war intimacy and citizenship intersected in France in new and unexpected ways **Napoleon** Michael Broers,2015-10-15 All previous lives of Napoleon have relied more on the memoirs of others than on his own uncensored words This is the first life of Napoleon in any language that makes full use of his newly released personal correspondence compiled by the Napoleon Foundation in Paris All previous lives of Napoleon have relied more on the memoirs of others than on his own uncensored words Michael Broers biography draws on the thoughts of Napoleon himself as his incomparable life unfolded It reveals a man of intense emotion but also of iron self discipline of acute intelligence and immeasurable energy Tracing his life from its dangerous Corsican roots through his rejection of his early identity and the dangerous military encounters of his early career it tells the story of the sheer determination ruthlessness and careful calculation that won him the precarious mastery of Europe by 1807 After the epic battles of Austerlitz Jena and Friedland France was the dominant land power on the continent Here is the first biography of Napoleon in which this brilliant violent leader is evoked to give the reader a full dramatic and all encompassing portrait

Napoleon and Europe Philip G. Dwyer,2014-07-22 Two hundred years ago Napoleon was at the apogee of his power in Europe This broad ranging reassessment explores the key themes presented by his extraordinary career from his rise to power and the foundation of the imperial state to the final defeat of his grand vision following the doomed invasion of Russia It was a period of almost uninterrupted war in Europe the consequences of victory or failure repeatedly transforming the political map But Napoleon's impact reached much deeper than this achieving the ultimate destruction of the ancien regime and feudalism in Europe and leaving a political and juridical legacy that persists today Reflections on the Napoleonic Legend Albert Léon Guérard,1924 Soldiers of Napoleon A. J. Doisy De Villargennes,Arthur Chuquet,2008 Accounts of the men of the First Empire Under the Eagles by A J Doisy De Villargennes Voices of 1812 by Arthur Chuquet Writings of the experiences of Napoleon's foot and horse soldiers which have been translated into English are few There are several that have become well known and well regarded but this book contains a delightful collection of lesser known works With De Villargennes we experience war in the Peninsula but the remaining episodes contain first hand accounts which all deal with the shared experience of the Emperor's disastrous advance into and retreat from Russia Here are Oriot the Cuirassier and others telling their stories across time for today's student of the military history of the Napoleonic Age

Thank you extremely much for downloading **Napoleonic Soldier**. Maybe you have knowledge that, people have look numerous times for their favorite books past this Napoleonic Soldier, but stop going on in harmful downloads.

Napoleonic Soldier Introduction

In the digital age, access to information has become easier than ever before. The ability to download Napoleonic Soldier has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Napoleonic Soldier has opened up a world of possibilities. Downloading Napoleonic Soldier provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Napoleonic Soldier has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Napoleonic Soldier. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Napoleonic Soldier. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Napoleonic Soldier, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability

to download Napoleonic Soldier has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Napoleonic Soldier Books

1. Where can I buy Napoleonic Soldier books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Napoleonic Soldier book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Napoleonic Soldier books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Napoleonic Soldier audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Napoleonic Soldier books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
