Narrative Con Texts In Dubliners

Bernard Benstock

Narrative Con Texts In Dubliners:

Narrative Con/texts in Dubliners Bernard Benstock,1994 Investigates narrative strategies in James Joyce s stories in relation to the changing contextual situations both in the individual narratives and in the cumulative text context serving as a portal of entry into the narrative s Benstock is the author of *Narrative Con texts in Ulysses* *Narrative Con/Texts in Dubliners* Bernard Benstock,1994-06-18 Investigates narrative strategies in James Joyce s stories in relation to the changing contextual situations both in the individual narratives and in the cumulative text context serving as a portal of entry into the narrative s Benstock is the author of *Narrative Con texts in Ulysses* Attachment and Loss in the Works of James Joyce Linda Horsnell,2021-11-04 Using John Bowlby s Attachment Theory as a frame of reference Attachment and Loss in the Works of James Joyce critically analyzes James Joyce s representation of grief Based on cognitive emotional and behavioral elements Attachment Theory allows for new and innovative readings to emerge which differ from those offered by Freudian Lacanian and Jungian paradigms Acknowledging the importance of the Theory of Mind and Reader Response this book uses the concept of internal working models to elucidate how the childhood experiences with which Joyce has endowed his protagonists ultimately leads to how they respond to loss The texts of Dubliners Portrait of the Artist and Ulysses show how central separation and loss were to Joyce s work It provides examples of such experiences in different age groups under differing circumstances and at different stages in the grief process Attachment Theory highlights the complexity of human relationships throughout the life cycle not only how they can affect the grief process but how grief affects them *Narrative Con/texts in Ulysses* Bernard Benstock,1991 An investigation into the narrative in relation to the changing contextual situations both in Ulysses and in other Joyce texts Other works by this author include *Critical Essays on James Joyce Approaches to Ulysses and The Seventh of Joyce* **Gothic Modernisms** A. Smith,J. Wallace,2001-05-04 This is the first full length exploration of the relationship between Gothic fiction and Modernism in fiction and film The Gothic s fascination with images of the fragmented self is echoed in the Modernist concern with the psyche and the paranoia of the everyday The contributors explore how the Gothic influences a range of writers including James Joyce D H Lawrence Virginia Woolf May Sinclair Elizabeth Bowen and Djuna Barnes Joyce's Love Stories Christopher DeVault,2013 In his comprehensive study of love in James Joyce s writings DeVault shows that Joyce frequently ties his characters personal and political pursuits to their ability to affirm both their loved ones and their fellow Dubliners For Joyce love for others need not compromise one s personal desires but rather offers the possibility of a broader social compassion that creates a more progressive body politic Joyce Writing Disability Jeremy Colangelo,2022-02-14 In this book the first to explore the role of disability in the writings of James Joyce contributors approach the subject both on a figurative level as a symbol or metaphor in Joyce s work and also as a physical reality for many of Joyce s characters Contributors examine the varying ways in which Joyce s texts represent disability and the environmental conditions of his time that stigmatized isolated and othered individuals with disabilities The

collection demonstrates the centrality of the body and embodiment in Joyce's writings from *Dubliners* and *A Portrait of the Artist as a Young Man* to *Ulysses* and *Finnegans Wake*. Essays address Joyce's engagement with paralysis, masculinity, childhood, violence, trauma, disorderly eating, blindness, nineteenth-century theories of degeneration, and the concept of madness. Together, the essays offer examples of Joyce's interest in the complexities of human existence and in challenging assumptions about bodily and mental norms. Complete with an introduction that summarizes key disability studies concepts and the current state of research on the subject in Joyce studies, this volume is a valuable resource for disability scholars interested in modernist literature and an ideal starting point for any Joycean new to the study of disability. A volume in the Florida James Joyce Series, edited by Sebastian D. G. Knowles. Contributors: Rafael Hernandez Borian, Alexandra Casey, Lawrence, Giovanna Vincenti, Jeremy Colangelo, Jennifer Marchisotto, Marion Quirici, John Morey, Kathleen Morrissey, Maren T. Linett. *Journal of the Short Story in English*, 2001. *Encyclopedia of Literary Modernism*, Paul Poplawski, 2003-12-30. Modernism is still widely acknowledged as perhaps the most important and influential artistic and cultural phenomenon of the 20th century. Written by expert scholars from around the world and covering hundreds of different topics in a clear, incisive, and critical manner, this reference maps the complex field of modernism in a fresh and original way. The principal focus of the book is on English language literary modernism and the period 1890-1939, yet many entries extend beyond those parameters to include important precursors and successors of the movement. The book also covers the crucial European and interdisciplinary dimensions of modernism and provides complementary comparative perspectives from countries and regions not usually included in traditional accounts of the subject. Entries cite works for further reading, and the volume closes with a selected general bibliography. *Voice, Boundary, and Identity in the Works of James Joyce*, Francis Constantine Manista, 2006. This book is a study of the weaving and unweaving of particular subject positions within James Joyce's major works *Dubliners*, *A Portrait of the Artist as a Young Man*, *Ulysses*, and *Finnegans Wake* through representations of voice, which negotiates identity, authority, and subjectivity. The voice in the narrowest sense reveals itself as a portion of the narrative, which in turn stands as part of the discourse of a particular work. This work explores the different ways that Joyce portrays and negotiates identity through voice and the conceptualization of boundaries that exist in between different and distinct subjectivities, which are explored by the author of this work from within the conceptualization and representation of voice. **A Collideorscape of Joyce**, Ursula Zeller, Fritz Senn, 1998. A collection of essays on James Joyce, this volume includes contributions from scholars around the world and was commissioned to celebrate the 70th birthday of Fritz Senn, Director of the Zurich James Joyce Foundation. Negotiating Identity, Francis Constantine Manista, 2000. **Current Contents**, Institute for Scientific Information (Philadelphia), 1997. **James Joyce**, Lee Spinks, 2009. Introductory text with detailed textual analysis of James Joyce's major works. Lee Spinks includes an extended discussion of Joyce's life, times, and historical milieu, along with a guide to the critical reception of Joyce's work. *Illinois Documents List*, 1994. The Writer's

Directory, 1998-2000 Miranda H. Ferrara, 1995 Information on more than 17 500 living authors from English speaking countries *Critical Survey of Short Fiction* , 2001 *JSI* , 2002 *Joyce Studies Annual* , 1996 Publications of the State of Illinois 1994 ,
