Narrative Of Robert Hancock Hunter

Daniela Niemeyer

Narrative Of Robert Hancock Hunter:

The Narrative of Robert Hancock Hunter Robert Hancock Hunter,1966 **Narrative of Robert Hancock Hunter, 1813-1902, from His Arrival in Texas, 1822, Through the Battle of San Jacinto, 1836** Robert Hancock Hunter,1936

Narrative of Robert Hancock Hunter, 1813-1902 Robert Hancock Hunter,Arthur Frederick Ide,1966 **The orthography and phonology of The narrative of Robert Hancock Hunter: a study in the origins of Texas speech** Evelyn Lucile Eanes,1939 Texian Exodus Stephen L. Hardin,2025-01-14 A narrative account of the evacuation of the Texians in 1836 which was redeemed by the defeat of the Mexican army and the creation of the Republic of Texas Two events in Texas history shine so brightly that they can be almost blinding the stand at the Alamo and the redemption at San Jacinto where General Sam Houston s volunteers won the decisive battle of the Texas Revolution But these milestones came amid a less obviously heroic episode now studiously forgotten the refugee crisis known as the Runaway Scrape Propulsive lyrical and richly illustrated Texian Exodus transports us to the frigid sodden spring of 1836 when thousands of Texians Anglo American settlers fled eastward for the United States in fear of Antonio L pez de Santa Anna s advancing Mexican army Leading Texas historian Stephen L Hardin draws on the accounts of the Runaways themselves to relate a tale of high stakes and great sorrow While Houston tried to build a force that could defeat Santa Anna the evacuees suffered incalculable pain and suffering Yet dignity and community were not among the losses If many of the stories are indeed tragic the experience as a whole was no tragedy survivors regarded the Runaway Scrape as their finest hour an ordeal met with cooperation and courage For Hardin such qualities still define the Texas character That it was forged in retreat as well as in battle makes the Runaway Scrape essential Texas history Eighteen Minutes Stephen L. Moore,2004 The book follows General Sam Houston as he takes command of the Texas Volunteers to lead them to victory six weeks after the fall of the Alamo **Texas Roots** C. Allan Jones,2005 In today s Texas with its growing urban populations and big city lifestyles it is worth remembering that in 1850 only 10 percent of Texans lived in towns with as many as 100 people The rest of many ethnic and racial groups lived off the land which was blessedly suited to a profitable variety of crops and livestock and also provided an abundance of wildlife free for the taking In Texas Roots C Allan Jones reminds us that the economic wealth of modern Texas arose from its agricultural heritage a rich mixture of practices and traditions including Caddo hunting gathering gardening and farming Irrigated agriculture at Spanish missions Hispanic ranching Slave based plantations Small scale farmers and ranchers Through time people adapted the agricultural technologies laws and customs of New Spain Mexico Europe and the South to their own practical institutional and legal needs The result was a particularly Texan system that would serve as the foundation for the state s economic strength after the Civil War Texas Roots shines a bright light on our relationship and connection with the land bringing alive an aspect of the Texas history that contributed immeasurably to the state s identity and prosperity *Pleasant Bend* Dan Worrall,2016 Today s Greater Houston is a vast urban place In the mid nineteenth

century however Houston was a small town a dot in a vast frontier Extant written histories of Houston largely confine themselves to the small area within the city limits of the day leaving nearly forgotten the history of large rural areas that later fell beneath the city s late twentieth century urban sprawl One such area is that of upper Buffalo Bayou extending westward from downtown Houston to Katy European settlement here began at Piney Point in 1824 over a decade before Houston was founded Ox wagons full of cotton traveled across a seemingly endless tallgrass prairie from the Brazos River east to Harrisburg and later to Houston along the San Felipe Trail built in 1830 Also here Texan families fled eastward during the Runaway Scrape of 1836 immigrant German settlers trekked westward to new farms along the north bank of the bayou in the 1840s and newly freed African American families walked east toward Houston from Brazos plantations after Emancipation Pioneer settlers operated farms ranches and sawmills Near present day Shepherd Drive Reconstruction era cowboys assembled herds of longhorns and headed north along a southeastern branch of the Chisholm Trail Little physical evidence remains today of this former frontier world

Big Wonderful Thing Stephen Harrigan, 2019-10-01 The story of Texas is the story of struggle and triumph in a land of extremes It is a story of drought and flood invasion and war boom and bust and of the myriad peoples who over centuries of conflict gave rise to a place that has helped shape the identity of the United States and the destiny of the world I couldn t believe Texas was real the painter Georgia O Keeffe remembered of her first encounter with the Lone Star State It was for her the same big wonderful thing that oceans and the highest mountains are Big Wonderful Thing invites us to walk in the footsteps of ancient as well as modern people along the path of Texas s evolution Blending action and atmosphere with impeccable research New York Times best selling author Stephen Harrigan brings to life with novelistic immediacy the generations of driven men and women who shaped Texas including Spanish explorers American filibusters Comanche warriors wildcatters Tejano activists and spellbinding artists all of them taking their part in the creation of a place that became not just a nation not just a state but an indelible idea Written in fast paced prose rich with personal observation and a passionate sense of place Big Wonderful Thing calls to mind the literary spirit of Robert Hughes writing about Australia or Shelby Foote about the Civil War Like those volumes it is a big book about a big subject a book that dares to tell the whole glorious gruesome epically sprawling story of Texas

Fruits of a Gentle Madness ,2008 Writings on American History ,1941 The Publishers Weekly ,1924 Annual Report of the American Historical Association American Historical Association,1941 Historic Homes of Washington County, 1821-1860 Betty Plummer,1969 **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library. Research Libraries,1979 **The Texas Revolutionary Experience** Paul D. Lack,1992 This fresh perspective drawn from exhaustive examination of primary documents claims records and land documents as well as traditional manuscript collections portrays the Texans entering their quarrel with Mexico as a fragmented people individualistic divided from one community to another by ethnic and racial tensions and lacking a consensus about the

meaning of political changes in Mexico Paul D Lack examines one at a time the various groups that participated in the Texas Revolution He concludes that the army was highly politicized overly democratic and individualistic and lacking in discipline and respect for property With the statistical profile of the army he has compiled Lack puts to rest forever the idea that the Anglo community gave an overwhelming response to the call to arms He details instead the tensions between army volunteers and the majority of Texans who refused military service **National Union Catalog** ,1956 Includes entries for maps and atlases **The National Union Catalog, Pre-1956 Imprints** Library of Congress,American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee,1972 *Chronicles of Oklahoma* James Shannon Buchanan,1963 **Publications of the Texas Folk-lore Society** James Frank Dobie,1939
