A Jewish Christmas Story Frank Straight, 2010-01-15 In the first two chapters of his Gospel Matthew writes about the birth of the Messiah Did he intend for the narrative just to be used for childrens pagents and to provide ideas for lawn decorations Surely he had more serious purposes in mind but sadly this beginning part of his Gospel has been often trivialized down through the centuries What important information was he conveying What issues facing his readers did he confront Could Jesus of Nazareth a place thought to produce no good thing really be the Messiah Hadnt his birth actually been a scandal Why would wise men bring him gifts How many wise men were there anyway And that part about the star maybe it wasnt actually a star A Jewish Christmas Story is a study guide which brings new insights to a story with which many are familiar but one whose real meaning is seldom considered seriously
