youre unconscious of them distort self worth and lead us to make dangerous and discouraging choices and how a correct understanding of God can heal you and lead to discovering your true self Why do we make the choices we do What is it that compels us to drift in certain directions Are there forces working behind the scenes to affect our daily life Are there tools we can employ in our lives that will make a difference Do we have a choice Must we accept the lies placed on us Is there research that supports the affect of our choices If you have wondered why you make choices you wish you didnt make and how to start making choices that fulfill you and bring you to experience real joy this is the book for you Do you feel empty like you have no choice Can life change Is there hope Are you stuck Here is understanding Read and find strength and hope

the Bible this outstanding resource will help strengthen your grasp on God's Word. By comparing the precise NASB with the magnified sentence structure of the Amplified Bible, readers are better able to appreciate the meaning of the scriptures as understood by their audience in the original languages. Known for its word-for-word literal accuracy, the New American Standard Bible updated edition is the 1<sup>st</sup> choice for in-depth inductive Bible study. And through its unique use of synonyms and definitions, the Amplified Bible both explains and expands the meaning of words in the text by placing amplification in parentheses and brackets after key words or phrases. Through multiple expressions, greater emphasis is given to the divine message as reflected in the original Greek and Hebrew. Now readers can benefit from both translation approaches with this side-by-side comparison that offers a more enriching experience with God's Word.

**NASB 12** For now we see in a mirror dimly but then face to face now I know in part but then I will know fully just as I also have been fully known **13** But now faith hope love abide these three but the greatest of these is love
