Books, Google searches, blogs, and news articles are everywhere about them. Yet Generation Z is comprised of our youth and young adults today and has received very little attention comparatively. Those in Generation Z are among our youngest consumers, students, colleagues, constituents, voters, and neighbors. Being able to better understand who they are and how they see the world can be helpful in effectively working with, teaching, supervising, and leading them. *Generation Z: A Century in the Making* offers insight into nearly every aspect of the lives of those in Generation Z, including a focus on their career aspirations, religious beliefs and practices, entertainment and hobbies, social concerns, relationships with friends and family, health and wellness, money management, civic engagement, communication styles, political ideologies, technology use, and educational preferences. Drawing from an unprecedented number of studies with higher education research institutions, market research firms such as Pew and Census, other generational researchers, and industry leaders, this is the authoritative defining work on Generation Z that market researchers, consumer behaviour specialists, and employers sorely need, and it is a fascinating read for anyone interested in the sociology of generations. **Britannica Book of the Year** Franklin Henry Hooper, 2016 **The Christmas Swap (The Christmas Romance series, Book 1)** Sandy Barker, 2020-10-16 This was truly the Christmas romance of my dreams. 5 Reader review Will all three women have their Christmas wishes come true **The Best American Mystery and Suspense 2023** Lisa Unger, Steph Cha, 2023-10-17 A collection of the year's best mystery and suspense short fiction selected by New York Times bestselling author Lisa Unger and series editor Steph Cha. A haunted veteran turned career criminal is on the run. An injured fighter turned bouncer seeks vengeance for his lost love. An assassin on his last job finds himself questioning his life choices and breaks all the rules to understand his final victim. By turns thrilling and enlightening, each story, according to Unger, will have you holding your breath; flipping the pages will leave you thinking about people and why they do the dark, dangerous, frightening things that they do." *The Best American Mystery and Suspense 2023* includes Ashley Ruth M. Bernier, William Boyle, S. A. Cosby, Jacqueline Freimor, James A. Hearn, Ladee Hubbard, A. J.
