My Window World:

Arrow of Time Chew Lawrence, 2014-06-27 To read his poems is to be invited into the swirling vortex of quantum physics philosophy evolutionary biology and personal biography Engaging with them is not only a stimulating intellectual exercise it may lead the reader to ponder the nature of the universe and our place in it In these poems you meet the defiance of modern man stripped of the easy consolations of God conversing with silent space This conversation vacillates from harshness in its relentless logic to tenderness in its lyricism They do not diminish the human condition nor our unique penchant to seek meaning but rather counsels a sense of proportion in our reactions to life's vicissitudes when placed in a cosmic scale Jeffery Lee Singapore Poet Now on the poems you sent me they are unique they carry me along with your carefully chosen words I cannot describe them because of the sweet meaning you have put hidden all throughout your poems amazing Christian Jay Senior Publishing Consultant

Poetry-E-Motion Ronald LaCourse, 2011-01-11 POETRY E MOTION is Ronald LaCourse's first written poetry of his own original writings Since 1995 he has dealt with a multitude of situations not allowing him to put his words into poetic form Ronald has been active with public speaking organizations since 1992 which has allowed him the confidence to organize his written skills since the age of 12 years old Ronald has grown up in Cleveland Ohio and has two very special children in his life His two daughters April and Christa have been influenced by his poetry and his work as a single parent This book is the first in a series to be presented as time prevails allowing influence on the other children and adults to address factors that have made a difference in his life Growing up in the 60s and the 70s and 80s poetry has always been a part of his life and is sharing life's experiences of all natures influencing people and ideal social gathering to share his poems and his influences Ronald's two children have been quite an influence of his poetry and will continue traditional reason to write A word of advice for future generations Do not hide your feelings and do not avoid commitments Once you do the reason for living seems to be squandered and you as the individual has become disoriented and unacceptable Go with what is in your heart and do what is right for all
