My Venice:

My Venice and Other Essays Donna Leon, 2013-12-03 The author of the Commissario Guido Brunetti series presents more than fifty humorous passionate and insightful essays about her life in Venice that also explore her family history her former life in New Jersey and the idea of the Italian man

My VENICE Barbara Athanassiadis, 2014-08-12 ABOUT THE BOOK MY VENICE An intimate look at the Myth History and the magic of its Arts I liked the way the city had attracted my attention But in order to discover it I asked it to stop hiding behind its masks I wanted it real To allow me to discover its secrets understand its problems and hold a direct conversation with it And it was promised to me and all disguises were thrown off as our conversation began A trip through time myth History the magic of Art and life is what Barbara Athanassiadis manages to achieve with the discerning eye of an experienced traveller It is the same eye that captured reflections of Italy in her earlier narratives the books A Year in Tuscany and Feeling Rome My Venice is the final book left to complete her unique literary trilogy that approaches time place and people both in the past and in the present Without directing our steps the author transports us through the canals the narrow streets and the squares of Venice and she focuses our attention on works of Nature and Art drawing on legends and historical omissions The Winged Lion leisurely embraces the shoulders of our romantic heroine and the Seagull s Flight even reaches the Empress Sissy in Venice The Tiny Murano Spheres roll down and stop before The Fork of the Byzantine Princess Torcello flirts with the Venetian Women in the Harem The eBook is illustrated with colourful photos Watch the YouTube book trailer video My VENICE https://www.youtube.com/playlist?list=PLrbC_aJ_0WKv8tN0RuB2YvMtgV_lg7N9X BOOK REVIEWS Barbara must have been very much in love with Venice because I know that for many years she has desired to write this book She visited the city many times in the fall and stayed for long periods in order to internalize all that she describes expertly afterwards providing the reader with her interesting reflections on the streets the innumerable bridges and the countless churches but also a wonderful lesson in History and an eye catching look at its mysterious and sensual Art We all know what Venice is for art lovers Reading her book it is obvious that she had an exclusive dialogue with the Serenissima in order for its magic to penetrate inside her and then to be able to narrate her intimate relationship within this dreamy city I particularly liked the point when she asked Venice not to hide behind its masks but to throw aside its touristic veils and be revealed to her without any secrets Lydia Mastronikolis President of the Friends of the Cultural Association Hellenic World Attentive to the Venetian glances of Barbara Athanassiadis book I realized an emotional escalation as the author is quite literal with her title MY VENICE This is indeed her own Venice with the meaning not so much of her subjective glance or the focus on what selectively charms her but in the particular way she sees things looking towards the view of many sights and not really seeing them She wanders amongst her favorite places and drags my gaze to colors and sensations without guiding it Just as charmingly she approximates aspects of everyday life in her extra literary life calmly with a nonchalance and always with a smile Just as

spontaneously and naturally she unfolds the myth in which she dresses her wanderings Motives thoughts quests reactions of her heroes occur nearly as obviously By reading her book we follow the confessional narration of a friend where the intimacy of her voice is entrusted to our ears Helen Kritika Book Critic Through the narration of Barbara Athanassiadis I discovered in fact that Venice is inside her hence the title MY VENICE While our friendship has bonded us for years I was truly touched by her book It s as if she has taken me by the hand and together we stroll this fairytale town either when the fog envelops it or when the pink color of its sunset embraces it Barbara s spontaneous and mature descriptions have spurred my curiosity to such an extent that I feel a strong desire to actually go to Venice and see the places that have inspired her I consider myself lucky when I fall upon such a book The narrative makes me travel and look at places I have heard about countless times in a fresh and novel way all while I sit comfortably in my armchair Zoe Kyriakou Radio Producer Easy 97 2 Athens Greece

Travel and Imagination Dr Emma Waterton, Dr Garth Lean, Dr Russell Staiff, 2014-04-28 The imagination has long been associated with travel and tourism from the seventeenth century when the showman and his peepshow box would take the village crowd to places cities and lands through the power of stories to today when we rely on a different range of boxes to whisk us away on our imaginative travels the television the cinema and the computer Even simply the notion of travel it would seem gives us license to daydream The imagination thus becomes a key concept that blurs the boundaries between our everyday lives and the idea of travel Yet despite what appears to be a close and comfortable link there is an absence of scholarly material looking at travel and the imagination Bringing together geographers sociologists cultural researchers philosophers anthropologists visual researchers archaeologists heritage researchers literary scholars and creative writers this edited collection explores the socio cultural phenomenon of imagination and travel The volume reflects upon imagination in the context of many forms of physical and non physical travel inviting scholars to explore this fascinating yet complex area of inquiry in all of its wonderful colour slipperiness mystery and intrigue The book intends to provide a catalyst for thinking discussion research and writing with the vision of generating a cannon of scholarship on travel and the imagination that is currently absent from the literature

Venice's Virgin Mother Berwyn Lewis, 2018-07-06 In 17th century Venice a young woman discovers she s pregnant and comes up with a perfect alibi She claims she s had an immaculate conception and will have a virgin birth but this doesn t stop her family from banishing her to a convent Like many convents of the time it is home to one of Venice s worst kept secrets Behind its forbidding looking walls veils and vows do nothing to curb the appetites of the lusty residents including some men Disguised as nuns they enjoy the lavish banquets and balls of convent life with their lovers liberated women who have the freedom to compose music plays and poetry often penned with male pseudonyms and performed to audiences from all walks of life The Doge supports a Venetian virgin birth It will rock religious boats and gondolas strike a blow against Rome s monopoly on virgin births boost Venetian Empire trade and bring the world to Venice s doorstep It isn t the first virgin birth The twin founders of Rome were born of the mythical Rhea Silvia a virgin It had to be

just a matter of time before another one popped up and this time it s in Venice and the Doge is all for it Too dangerous to reveal until now this satire and rollicking comedy tells how women struggled with families husbands and other enemies and were dominated by an overzealous church bent on robbing them of their birthright It is also a useful virgin birth DIY and includes tips on creating miracles It speaks to today s world where religion and other superstitions continue to oppress so many and cause so much suffering **Catalogue** Maggs Bros,1928 Venetian Life William Dean Howells,1885 The Temple Edition of the Comédie Humaine Honoré de Balzac,1901 **The Riverside Readers ...** James Hixon Van Sickle,1913 **Scribner's Magazine** ,1899 **Punch** Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman,1892 The poetical works of lord Byron. Adopting the Beat of Term: An Mental Symphony within **My Venice**

In a global used by monitors and the ceaseless chatter of instantaneous interaction, the melodic splendor and psychological symphony developed by the published word frequently fade into the back ground, eclipsed by the constant sound and distractions that permeate our lives. However, situated within the pages of **My Venice** a stunning fictional treasure filled with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, this captivating masterpiece conducts visitors on a mental trip, skillfully unraveling the concealed melodies and profound influence resonating within each cautiously constructed phrase. Within the depths of this touching assessment, we will discover the book is key harmonies, analyze their enthralling publishing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
