McCullough, 2016-11-17 In this supplement for Frostgrave players lead their warbands into the northern reaches of the city exploring the ruined temples of the Frozen City to search for the lost secrets of evocation the art of summoning demons While the lure of such knowledge is great few wizards have ventured

into this region as it is overrun by barbaric northern tribesmen who have descended from the hills in their own search for treasure. Marking themselves with demonic sigils, many of these barbarians have aligned with ancient powers discovered amongst the temples. Enter into the enchanting world of the Mystic Warriors. Where an ageless immortal society of gifted and powerful supernatural beings exist unknown to man with magic and the ability to control the elements of nature and use these ability to fight the forces of darkness. Desire, love, and adventure lie ahead for two unlikely souls destined to be together. Powerful shifter, telepath, and practitioner of magic, Bly La Croix is a true daughter of the earth. She is a descendant from a long line of Elemental warriors and magical beings as a protector of mankind while living among normal man as one of them. The various roles she has assumed over time afforded her the secrecy necessary to fulfill her protective role to man. Andrew Von Erikson, the eldest of the Von Erikson triplets born over six hundred years ago. The situation surrounding their birth created the one of a kind warrior that they are. Known to the society of Elementals as Day Walkers, they are a triple threat to combat the evil of the world. Due to the circumstance of his birth, Andrew exists in a world of isolation, expecting nothing to ever find a mate who can save him from the shadows that haunt his being. They were both summoned to return to Nos Ysse Kraggenra Sanctuary Mountain by the governing council of their society. Trouble is brewing and danger of the dark forces is presenting itself. It is prey, mankind, and their weaknesses. From the moment they meet, Bly and Andrew are drawn to one another, helpless to resist the desire that ignites between them. Destiny has brought them together, but is it enough to overcome the obstacles that malevolent force has thrown in their path? Will the desire they share be enough to overcome the barriers of their lives that separate them?

Uncovering an ancient aristocracy and its hidden secret. Archaeologist and TV show host Annja Creed trades in her dig tools and dirty excavations for the sunny climes of Hollywood. Serving as a prop consultant for a popular TV fantasy series, Annja is enjoying the lights, camera, and much less action. Until a scrying crystal is stolen off the set and it turns out to be something more than a prop. The crystal, in fact, is a priceless artifact from the period of the Crusades. But in the process of recovering it, Annja discovers something far more valuable: an ancient document that could lead to the lost treasure of the Merovingian kings. Rulers of France's oldest dynasty during the third century AD, predating even Charlemagne, the Merovingians were said to be mystic warriors armed with the power of God. But Annja isn't the only one who knows about the document. And now she

must face down a malevolent group that's far too familiar with Garin one of her closest allies Good thing she shares far more with these mystic warriors than even she could possibly imagine *Creators of the Plains* Thomas E.
