Myth, Magic, and Morals F. C. Conybeare, 2020-11-12 Of all the great figures which look down upon us across the gulf and void of time Jesus of Nazareth is the most gracious and winning of aspect and although his memory was soon associated with that policy of craft and exclusiveness of cruelty and credulity which in East and West styled itself orthodoxy nevertheless his name has ever been for the poor and the oppressed for the despised and disinherited of the earth a bond and symbol in union of peace and charity It behooves us then more than ever in this age when old faiths are loosening their hold on us and new superstitions like Spiritualism Occultism and Christian Science threaten to imprison our minds afresh to inquire carefully who Jesus of Nazareth was what were his real aims and ideas what he means at his command for realizing them how the great institutions connected with his name originated and grew up This I have tried to do in the following pages From the Introduction **Myth, Magic, and Morals** Fred C. *Myth, Magic, and Morals* Fred Cornwallis Conybeare, 2015-07-06 Excerpt from *Myth Magic and Morals A Study of Christian Origins* In reprinting *Myth Magic and Morals* a few insignificant verbal changes have been made in the text and such clerical errors corrected as have been noticed by reviewers or detected by myself Several additions have also been made to the Notes at the end of the book In other respects this second edition is identical with the first The favourable reception which not only the English Press but also many foreign and colonial journals have accorded to my book has afforded me deep satisfaction for it shows that over wide circles truth is beginning to be more highly esteemed than so called orthodoxy and historical research more valued than blind adherence to obsolete tradition There was a time I am just old enough to remember it when a work like my own would have aroused in the venerable circles of Oxford and Cambridge a regular heresy hunt I have myself seen Dean Burgon and Dean Goulburn pursuing the Revisers of the English New Testament I have beheld Dr Pusey and Canon Liddon and the venerable Mr Foulkes up in arms against the mild heresies of Dr Jowett of the authors of *Lux Mundi* and of the late Vicar of Carfax I have heard a Bishop of Salisbury declare from the

University pulpit that if Freethinkers were not ill livers they would never have been Freethinkers I have known the late Bishop Stubbs reject a candidate for ordination because he could not accept as genuine and literal historical fact the first six chapters of Genesis About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *Myth, Magic and Morals* Fredrick Cornwallis Conybeare, 2014-03-29 This Is A New Release Of The Original 1910 Edition      Myth, Magic, and Morals F C 1856-1924 Conybeare, 2014-01-13 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book      **Myth, Magic & Morals** ,1910
