

Nagib Machfus

NAGUIB. MAHFOUZ

Nagib Machfus:

The Wisdom of Naguib Mahfouz Naguib Mahfouz, 2011 With a writing career spanning some seventy years Naguib Mahfouz is one of the most recognized writers in the world His study of philosophy at what is now Cairo University greatly influenced his works as did his wide readings and his work in the government and in the Cinema Organization The Wisdom of Naguib Mahfouz like the earlier *Life's Wisdom* is a unique collection of quotations selected from the great author's works offering philosophical insights on themes such as childhood youth love marriage war freedom death the supernatural the afterlife the soul immortality and many other subjects that take us through life's journey Morning and Evening Talk Naguib Mahfouz, 2011-04-27 From the Nobel Prize winning author of *The Cairo Trilogy* and a storyteller of the first order Vanity Fair comes an epic novel that portrays five generations of one sprawling family against the upheavals of two centuries of modern Egyptian history Set in Cairo *Morning and Evening Talk* traces three related families from the arrival of Napoleon to the 1980s through short character sketches arranged in alphabetical order This highly experimental device produces a kind of biographical dictionary whose individual entries come together to paint a vivid portrait of life in Cairo from a range of perspectives The characters include representatives of every class and human type and as the intricate family saga unfolds a powerful picture of a society in transition emerges This is a tale of change and continuity of the death of a traditional way of life and the road to independence and beyond seen through the eyes of Egypt's citizens Naguib Mahfouz's last chronicle of Cairo is both an elegy to a bygone era and a tribute to the Egyptian spirit Sugar Street Najib Mahfuz, 1992 Brings the story of Al Sayid Ahmad and his family up to the middle of the 20th century No 1 Palace walk No 2 Palace of desire **The Non-fiction Writing of Naguib Mahfouz** Naguib Mahfouz, Najib Mahfuz, 2016 A four volume set of articles and essays spanning the career of a prolific Egyptian writer This four volume box set collects newspaper articles and earlier essays of influential Egyptian writer Naguib Mahfouz Each volume is introduced by Professor Rasheed El Enany an expert scholar in Mahfouz studies Volume I compiles Mahfouz's early non-fiction writings mostly from the 1930s that offer a rare glimpse into the development of this renowned author Volume II is a collection of essays Mahfouz published from 1971 to 1981 in the *Al Ahram* newspaper where he had taken up an appointment as a member of the editorial staff after retiring from his job as a civil servant Volume III consists of newspaper articles published between 1982 and 1988 coinciding with the early years of Hosni Mubarak's presidency described by Mahfouz as an unhurried democracy Volume IV brings together Mahfouz's articles written from 1989 through the knife attack in October 1994 that almost ended his life *On Literature and Philosophy: The Non-Fiction Writing of Naguib Mahfouz* Naguib Mahfouz, 2015-11-15 Naguib Mahfouz is one of the most important writers in contemporary Arabic literature Winner of the Nobel Prize in 1988 the only Arab writer to win the prize thus far his novels helped bring Arabic literature onto the international stage Far fewer people know his nonfiction works however a gap that this book fills Bringing together Mahfouz's early nonfiction writings most penned during the 1930s which have not previously

been available in English this volume offers a rare glimpse into the early development of the renowned author As these pieces show Mahfouz was deeply interested in literature and philosophy and his early writings engage with the origins of philosophy its development and place in the history of thought as well its meaning writ large In his literary essays he discusses a wide range of authors from Anton Chekov to his own Arab contemporaries like Taha Hussein He also ventures into a host of important contemporary issues including science and modernity the growing movement for women s rights in the Arab world and emerging ideologies like socialism all of which outline the growing challenges to traditional modes of living that we saw all around him Together these essays offer a fascinating window not just into the mind of Mahfouz himself but the changing landscape of Egypt during that time from the development of Islam to the struggles between tradition modernity and the influences of the West

After the Nobel Prize 1989-1994 Naguib Mahfouz, 2020-10-23 Naguib Mahfouz the Arab world s only Nobel literature laureate is best known internationally for his short stories and novels including The Cairo Trilogy But in Egypt he was equally familiar to newspaper readers for the column he wrote for many years in the leading daily Al Ahram in which he reflected on issues of the day from domestic and international events politics and economics to historic anniversaries inspirational personalities and questions of cultural freedom This volume brings together the 285 articles he wrote between January 1989 and the near fatal knife attack in October 1994 In carefully crafted short texts his social conscience is revealed as he highlights political shortcomings economic injustice and corruption in Egypt and the wider Arab world His philosophical sensitivity comes to the fore as he contemplates the meaning of a historic events contributions of an influential people and what is required to lead a good life The collapse of the Soviet Union the Oslo peace accords the spread of terrorism the Cairo earthquake the passing of Louis Awad Yusuf Idris Yahya Hakki the third term of Hosni Mubarak climate change and more come under Naguib Mahfouz s fine scrutiny For any fan of Mahfouz s fiction this collection opens a window on a different side of his intellect and it offers insights from one of the region s greatest modern minds

Before the Throne Naguib Mahfouz, 2012-07-03 Nearly sixty of Egypt s past leaders from the time of the Pharaohs to the twentieth century are summoned to judgment in the Court of Osiris in the Afterlife in this extraordinary novel by Nobel Prize winning author Naguib Mahfouz Before the Throne calls forth a parade of those who have shaped the modern nation of Egypt from the ruler who first unified Egypt in 3000 BC to Anwar Sadat the president assassinated by religious extremists in 1981 and including figures as various as the famous pharaoh Ramesses II and the medieval vizier Qaraqush As they defend their decisions under questioning by Osiris Isis and Horus those who acted for the nation s good are honored with immortality in paradise while those who failed to protect it are condemned either to the inferno or to the place of insignificance Full of Mahfouz s unique insight into his country s timeless qualities this provocative work skillfully traces five thousand years of Egypt s past as it flows into the turbulent present Translated from the Arabic by Raymond Stock

The Beggar Naguib Mahfouz, 2016-06-15 A complex tale of alienation and despair Unable to achieve psychological

renewal in the aftermath of Nasser's revolution a man sacrifices his work and family to a series of illicit love affairs that intensify his feelings of estrangement A passionate outcry against irrelevance Adrift on the Nile Naguib Mahfouz, 2016-06-15 First published in 1966 Naguib Mahfouz's *Adrift on the Nile* is an atmospheric novel that dramatizes the rootlessness of Egypt's cosmopolitan middle class Anis Zani is a bored and drug addicted civil servant who is barely holding on to his job Every evening he hosts a gathering on a houseboat on the Nile where he and a motley group of cynical and aimless friends share a water pipe full of kif a mixture of tobacco and marijuana When a young female journalist an alarmingly serious person joins them and begins secretly documenting their activities the group's harmony starts disintegrating culminating in a midnight joyride that ends in tragedy **Naguib Mahfouz** Rasheed El-Enany, 2003-09-02 First Published in 2004 Naguib Mahfouz is one of the most important Arabic fiction writers of this century Born in 1911 his long and prolific writing career represents the evolution of a novel genre in Arabic literature His books are a record of the tragic tensions attendant on a nation's quest for freedom and modernity In 1988 he won the Nobel Prize for Literature This book provides a comprehensive study of Mahfouz's achievement Rasheed El Enany presents a systemic evaluation of the author's life and environment local and foreign influences on him elements of his thought and technique and the evolution of his craft While each work is discussed individually emphasis is laid throughout on elements of continuity in his work whether thematic or aesthetic In particular Dr El Enany challenges the traditional classification of Mahfouz's work into four chronological phases historical realist modernist and indigenous or traditional It is demonstrated that elements of these forms recur throughout Mahfouz's varied and experimental writings This book is the story of Mahfouz's struggle to free his novels from the prevalent predominantly Western moulds and to express his own socio political thought *The Mirage* Naguib Mahfouz, 2012-02-14 A stunning example of Nobel Prize winning Egyptian author Naguib Mahfouz's psychological portraiture *The Mirage* is the story of an intense young man who has been so dominated by his mother that her death sets him dangerously adrift in a world he cannot manage alone Kamil Ru ba is a tortured soul who hopes that writing the story of his life will help him gain control of it Raised by a mother who fled her abusive husband and became overbearingly possessive and protective toward her young son he has long been isolated emotionally and physically Now in his twenties Kamil seeks to escape her posthumous grasp Finding and successfully courting the woman of his dreams seems to promise salvation until his ignorance of mature love and his fear and jealousy lead to tragedy **Echoes of an Autobiography** Naguib Mahfouz, 1997-12-29 From the Foreword by Nadine Gordimer These pieces are meditations which echo that which has been and is the writer Mahfouz They are in the words of the title of one of the prose pieces *The Dialogue of the Late Afternoon of his life* I don't believe any autobiography with its inevitable implication of self presentation could have matched what we have here With more than 500 000 copies of his books in print Naguib Mahfouz has established a following of readers for whom *Echoes of an Autobiography* provides a unique opportunity to catch an intimate glimpse into the life and

mind of this magnificent storyteller Here in his first work of nonfiction ever to be published in the United States Mahfouz considers the myriad perplexities of existence including preoccupations with old age death and life s transitory nature A surprising and delightful departure from his bestselling and much loved fiction this unusual and thoughtful book is breathtaking evidence of the fact that Naguib Mahfouz is not only a storyteller of the first order Vanity Fair but also a profound thinker of the first order **I Found Myself** NAGUIB. MAHFOUZ,2025-06-03 I Found Myself Last Dreams confirms again the richness and variety of Mahfouz s storytelling the single most important writer in modern Arabic literature Newsweek *The Story of the Banned Book* Mohamed Shoair,2022-05-03 An award winning account of Nobel laureate Naguib Mahfouz s most controversial novel and the fierce debates that it provoked Naguib Mahfouz s novel Children of the Alley has been in the spotlight since it was first published in Egypt in 1959 It has been at times banned and at others allowed sold sometimes under the counter and sometimes openly on the street often pirated and only recently legally reprinted It has inspired anxiety among the secular authorities rage within the religious right and a drawing of battle lines among Arab intellectuals and writers It dogged Mahfouz like a curse throughout the remainder of his career led to his attempted assassination and sparked a public debate that continues to this day even after the author s death in 2006 It is Egypt s iconic novel in whose mirror millions have seen themselves their society and even the universe some finding truth others blasphemy In this award winning account Mohamed Shoair traces the story of Mahfouz s novel as a cultural and political object from its first publication to the present via Mahfouz s award of the Nobel prize for literature in 1988 and the attempt on his life in 1994 He presents the arguments that swirled about the novel and the wide cast of Egyptian figures from state actors to secular intellectuals and Islamists who took part in them He also contextualizes the interactions among the principal characters interactions that have done much to shape the country s present Extensively researched and written in a lucid accessible style *The Story of the Banned Book* is both a gripping work of investigative journalism and a window onto some of the fiercest debates around culture and religion to have taken place in Egyptian society over the past half century *The Naguib Mahfouz Reader* Najīb Maḥfūz,2016 Ma f Naj b 1911 2006 translations into English *The Search* Naguib Mahfouz,2016-06-15 A powerful story of lust greed and murder Unflinching tough and dramatic *The Search* was most certainly intended to be a harsh criticism of Post Revolution morality but on its most elemental level it is a lurid and compelling tale Critical Perspectives on Naguib Mahfouz Trevor Le Gassick,1991 **The Coffeehouse** Naguib Mahfouz,2011-02-01 Mahfouz s last novel an evocative depiction of life in Egypt in the twentieth century as told through the lives of a group of friends is now available in paperback for the first time On a school playground in the stylish Cairo suburb of Abbasiya five young boys become friends for life making a nearby caf Qushtumur their favorite gathering spot forever One is the narrator who looking back in his old age on their seven decades together makes the other four the heroes of his tale a Proustian and classically Mahfouzian quest in search of lost time and the memory of a much changed place In a seamless

stream of personal triumphs and tragedies their lives play out against the backdrop of two world wars the 1952 Free Officers coup the defeat of 1967 and the redemption of 1973 the assassination of a president and the simmering uncertainties of the transitional 1980s But as their nation grows and their neighborhood turns from the green villa studded paradise of their youth to a dense urban desert of looming towers they still find refuge in the one enduring landmark in their ever fading world the humble coffeehouse called Qushtumur

The Coffeehouse is a powerful and timeless novel of loss and memory from one of Egypt's most celebrated literary masters

The Essential Naguib Mahfouz Najīb Maḥfūz, 2011 A carefully curated selection of the most important works of Egypt's Nobel literature laureate in a single volume Naguib Mahfouz the first and only writer of Arabic to be awarded the Nobel prize for literature wrote prolifically from the 1930s until shortly before his death in 2006 in a variety of genres novels short stories plays screenplays a regular weekly newspaper column and in later life his intensely brief and evocative *Dreams* His Cairo Trilogy achieved the status of a world classic and the Swedish Academy of Letters in awarding him the 1988 Nobel prize for literature noted that Mahfouz through works rich in nuance now clear sightedly realistic now evocatively ambiguous has formed an Arabic narrative art that applies to all mankind Here Denys Johnson Davies described by Edward Said as the leading Arabic English translator of our time makes an essential selection of short stories and extracts from novels and other writings to present a cross section through time of the very best of the work of Egypt's Nobel literature laureate

Naguib Mahfouz Rasheed El-Enany, 2007 Naguib Mahfouz 1911 2006 is the only Arab writer to have been awarded the Nobel prize for literature In its citation for the Nobel prize the Swedish Academy of Letters noted through works rich in nuance now clear sightedly realistic now evocatively ambiguous has formed an Arabic narrative art that applies to all mankind The author of thirty five novels fifteen collections of short stories twenty five film screenplays numerous critical works and in his later years over five hundred short fictions based on his dreams partly published as *The Dreams* and *Dreams of Departure* by the AUC Press in 2004 and 2007 he has been hugely influential on several generations of Arab writers and his books are now read in more than forty languages around the world In this first biography of Naguib Mahfouz in English Rasheed El Enany looks at the life of the man and the work of the writer and assesses the oeuvre and legacy of a towering figure in the Egyptian and Arab literary world who was able to reach far beyond his own linguistic and cultural boundaries to an admiring readership across the globe
