The Narrative Landscapes of A.L. Morrison Alfred L. Morrison, Shauna McCabe, Confederation Centre Art Gallery and Museum, 2000-01-01 **In the Interval of the Wave** Mary McDonald-Rissanen, 2014-02-11 Capturing the hidden histories of Prince Edward Island women in their handwritten pages

Spatial Narratives of India's Heritage: Integrating Geospatial Analysis in the Humanities M.B. Rajani, 2026-01-01 The volume provides fresh perspectives on geospatial analysis for cultural heritage and the humanities By integrating spatial data and analytical techniques this book offers researchers in the humanities innovative ways to explore and understand human societies cultures and interactions with their environments Moreover as methods in digital humanities continue to evolve incorporating geospatial analysis into humanities research enhances data visualization spatial storytelling and interdisciplinary collaboration This book offers a unique collection of case studies from India showcasing the transformative potential of geospatial technology in heritage studies Each case study highlights innovative ways geospatial analysis has been applied to understand and preserve India's rich cultural heritage By presenting real world examples from different regions and periods across India this book demonstrates the relevance of geospatial analysis to heritage research It also inspires future scholars to explore its possibilities within their areas of study Ultimately through its collection of case studies this book contributes to a deeper appreciation and understanding of India's heritage and the role of geospatial technology in its preservation and interpretation It is a valuable resource for researchers globally working on Indian history heritage and archaeology

Literary and Cultural Responses to Mnemonic Landscapes Lourdes López-Ropero, Marzena Sokołowska-Paryż, 2025-07-23 This book offers a profound exploration of spaces in transit a concept that bridges urban spaces natural environments and the archival and architectural echoes of the past with their representations in literature art and commemorative practices Through 14 meticulously crafted essays this volume delves into the intricate interplay between spatial and cultural memory framed by theories of geocriticism feminism race postcolonialism and more Key concepts such as deep spaces implicative spaces and landmark poetic spaces are introduced inviting readers to consider the fluidity and mutability of memory laden sites The essays critically examine how these spaces are continually reinterpreted and renegotiated challenging ideologically rigid narratives The volume is organized into three thematic parts Historiescapes Artscapes and Mythic Urbanscapes and Naturescapes each offering unique insights into the mnemonic appropriations of physical and literary spaces This collection is essential for scholars and students in urban studies environmental studies memory and literary studies providing a comprehensive study of contemporary cultural and theoretical trends It invites readers to rethink the sedentary nomadic continuum of memory and space offering a fresh perspective on the dynamic nature of cultural and collective memory Acadiensis, 2000 *Philanthropy in Toni Morrison's Oeuvre* Rico Hollmach, 2018-11-07 This book examines Toni Morrison's highly influential works through the lens of philanthropy The point

of departure of this endeavor is the keen observation that philanthropy has always played a leading role in US discourses about the nation itself While doing so time and again philanthropy has also been used as a means of social stratification especially for so called social minorities such as the African American community whose historical experience within the United States is at the very heart of Morrison s novels This book pursues the goal of a twofold understanding on the one hand through offering a rather innovative access to Morrison s works the project allows for new insights into one of today s most influential authors On the other hand this book explores the productivity of the concept of philanthropy for literary and cultural studies a concept hitherto largely neglected by scholars in both academic fields **Negative Liberties** Cyrus R.
