

Narrative Poetry

A story told in verse

Narrative poems often have:

plot: beginning, middle, end
characters
setting
problem and solution

Sample:

"Crocodile on the Loose!"

By Mrs. Prejna

I went out walking with my crocodile,
when he slipped out from his collar.
I yelled, "Come back!"
but he just ran and didn't hear me holler.
I chased him down the sidewalk,
and through the playground, too.
I almost caught him at the slide,
but he pulled a switch-a-roo!
Just when I thought I could run no more,
he came right back to me.
For my crocodile can be a bit crazy,
but in the end he loves me!

Seward,2015-06-25 Excerpt from Narrative and Lyric Poems For Students To stumble unexpectedly upon a poem or a volume of poems with the sudden thrill of discovery to wander among the works of the poet as one seeking the face of a friend in a crowd this is the approach to poetry that all agree brings the happiest results That poems may be profitably studied however is not universally acknowledged This is wholly natural for treatment too vague is obviously likely to be unstimulating and treatment too pedantic is sure to kill spontaneous interest This volume is compiled with a full realization of these besetting dangers yet in the conviction that poetry can be studied with profit Furthermore it attempts to give some concrete suggestions toward the realization of this ideal It should first be explained that the greatest encouragement for the compilation of these poems came from the recent action of the National Conference on College Entrance Examinations introducing lyric and shorter narrative poems among the types of literature to be studied in the schools I have based the contents of this volume therefore upon certain recommendations of the Conference the fourth Book of the Golden Treasury a selected list of Browning s poems and several narrative poems About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *English Narrative Poems* Claude Moore Fuess, Henry Nichols Sanborn,1909 **English Narrative Poems** Claude Moore Fuess,1917 *The Contemporary Narrative Poem* Steven P. Schneider,2012-12-15 Over the past thirty years narrative poems have made a comeback against the lyric approach to poetry that has dominated the past century Drawing on a decade of conferences and critical seminars on the topic The Contemporary Narrative Poem examines this resurgence of narrative and the cultural and literary forces motivating it

Gathering ten essays from poet critics who write from a wide range of perspectives and address a wide range of works the collection transcends narrow conceptions of narrative antinarrative and metanarrative The authors ask several questions What formal strategies do recent narrative poems take What social cultural and epistemological issues are raised in such poems How do contemporary narrative poems differ from modernist narrative poems In what ways has history been incorporated into the recent narrative poetry How have poets used the lyric within narrative poems How do experimental poets redefine narrative itself through their work And what role does consciousness play in the contemporary narrative poem The answers they supply will engage every poet and student of poetry
