Hulston, 2025-09-12 Reading and writing for pleasure represent issues of global concern and interest in policy research and practice underpinned by evidence illustrating their importance for young people's academic social and emotional experiences and outcomes In the face of a sustained decline in children's enjoyment in both reading and writing this highly significant book presents findings from a three year study of research and practice that nurtures young people's engagement as readers and writers The book offers a rich understanding of the study highlighting the commonalities and synergies identified from the research literature and diverse practice contexts It introduces a new and powerful Reading and Writing Framework for Practice for schools and charitable literacy programmes The authors offer practical strategies and recommendations throughout for practitioners researchers and policy makers who wish to advance this agenda in their own contexts Areas covered include The nature of reading and writing for pleasure Literate identities Motivating readers and writers Social interactions Role models and connected communities Future research practice and policy This field defining text is a key resource for all those committed to halting the decline in young people's engagement as volitional readers and writers

**Reader's Choice** Sandra Silberstein, Barbara K. Dobson, Mark A. Clarke, 2002 Book has become an established text for teaching and reading to advanced ESL EFL students      *Reading Engagement for Tweens and Teens* Margaret K.

Merga, 2018-12-01 Identifies evidence backed and easy to implement strategies for encouraging young people to read and helps you to position your library as an indispensable resource for supporting reading While most reading research focuses on young children this book looks at how to support reading beyond the early years and into adulthood Reporting on strong

peer reviewed research supported by sound theoretical and methodological approaches it emphasizes the practical implications of these findings sharing what this means for you in terms of how you can be a powerful positive reading model and influence in young people s lives Enriched with the voices of today s young people the book includes quotes that allow readers to decide how to support reading engagement for tweens and teens based on what would make them read more as expressed in their own words Engaging and readable it will be of interest to school and public librarians and can be shared with teachers parents and other literacy instructors and advocates

**Becoming a Reading Teacher** Jane Spiro, Amos Paran, 2023-04-10 This book encourages readers to think about reading not only as an encounter with written language but as a lifelong habit of engagement with ideas We look at reading in four different ways as linguistic process personal experience collective experience and as classroom practice We think about how reading influences a life how it changes over time how we might return at different stages of life to the same reading how we might respond differently to ideas read in an L1 and L2 There are 44 teaching activities all founded on research that explores the nature value and impact of reading as an authentic activity rather than for language or study purposes alone We consider what this means for schools and classrooms and for different kinds of learners The final part of the book provides practical stepping stones for the teacher to become a researcher of their own classes and learners The four parts of the book offer a virtuous join between reading teaching and researching It will be useful for any teacher or reader who wishes to refresh their view of how reading fits in to the development of language and the development of a reading life
