Every time you turn to *The Self Help Book* you'll walk away encouraged knowing that every day is an opportunity to grow and that you have the ability to do so. *Life Admin* Elizabeth F. Emens, 2019-01-01. Reading this book should be at the top of your To Do list. *Life Admin* will give you many hours of your life back. Every day an unseen form of labor creeps into our lives, stealing precious moments of free time, placing a strain on our schedules and our relationships and earning neither appreciation nor compensation in return. This labor is life admin, the kind of secretarial and managerial work necessary to run a life and a household. Elizabeth Emens was a working mother with two young children, swamped like so many of us when she realized that this invisible labor was consuming her. Desperate to survive and to help others along the way, she conducted interviews and focus groups to gather favorite tips and tricks, admin confessions and the secrets of admin happy households. *Life Admin* tackles the problem of admin in all its forms, from everyday tasks like scheduling doctors' appointments and paying bills to life cycle events like planning a wedding, a birth, a funeral. Emens explores how this labor is created, how it affects our lives and how we might avoid, reduce and redistribute admin whenever possible as individuals and as a society. *Life Admin* is the book that will teach us all how to do less of it and to do it better. *The Self Help Cancer Cure Book* Walter Last, Joyce Pearce, Soil & Health Association of New Zealand, 1995.

**Psychobabble** Stephen Briers, 2012-12-14. Exposing the self help myths that make us all more miserable. This is what your psychologist would really tell you if he thought you could handle it. This is the kick up the backside the self help genre needs: an intelligent, provocative and thought provoking expose of the modern myths that we're told make us happier but in reality screw us up. Clinical psychologist Dr Stephen Briers shines a light into the dark corners of self help and explodes the myths, false hopes, quack philosophies and unrealistic expectations it routinely advocates. It is a refreshing antidote to the same old, same old approaches offering a radical rethink of the way we approach problems in our lives, offering empowering new perspectives and expert advice on avoiding the biggest life traps. Dr Briers' questions the perceived wisdom, shakes up the status quo and encourages us to think again. The full text downloaded to your computer.
