Magic Wheel:

The Magic Wheel Brian Birchall, 2003 Describes different kinds of wheels how they work and the ways in which they are used

The Magic Wheel M.G. Elliott, 2011-11-18 Ding How and Ah So hopped on the Magic Wheel and began to run as fast as they could As they did so the wheel slowly began to turn gradually gaining speed with each turn Faster Ding How urged We must run faster The two little friends strained with all their might to increase their speed At last the Magic Wheel was spinning very fast Hold on tight Mi Tu Ding How shouted Dont let go By now the wheel was spinning wildly and everything became a blur There was a great rushing of air and suddenly the Magic Wheel disappeared What just happened And where were Ding How Ah So and Mi Tu Have you ever wondered what your pets do when youre away at school or hanging out with your friends You just might be surprised if you knew about their secret lives In this fantasy you will discover what a pet hamster white mouse and Siamese cat do while their human children are at school Meet Ding How a very wise hamster Ah So a mischievous little mouse and Mi Tu a most dignified and brave cat Follow their Magic Wheel into adventure danger and discovery Each new adventure challenges them to work together in order to solve their predicament In the process they soon realize how much they depend on each other Laugh at their encounters with a seagull and a giant nutcracker Feel the heat of a volcano and look with them at the awesome dancing lights in the dark northern sky Marvel with Ding How Ah So and Mi Tu as they discover the wonders of the Great Creator who made the heavens and the Earth Join them as they journey to Bethlehem where they learn the true meaning of Christmas Come along Dont delay Travel with them on their wonderful Magic Wheel of adventure and discovery
