Isaiah 40-66** ,1987 **When Evil Strikes** Sunday

Bobai Agang,2016-06-22 Human hostility is not the narrative of a selected few Since the fall of the grandparents of the human family Adam and Eve all humans have continued to participate in the reality of evil Accordingly the question is no longer whether evil will strike but rather when evil strikes how should humans particularly Christians respond to it This book offers a relevant and effective theology and ethics for addressing the issue of Christian response to violence in Nigeria and beyond It situates the whole gamut of the reign of human hostility in its various manifestations self interest and greed for power deception and social injustices governmental official corruption terrorism and so on It encourages humans to take seriously both the fact of God creating humans good and the fall serving as the gateway of evil into the human race It recognizes the complexity of human problems Yet it offers possibility for just peacemaking In spite of the horrific violence across the globe humans are still able to do tremendous good Thus the book recognizes the paradox of humanity humans are capable of doing tremendous good and equally capable of doing tremendous evil *Using Old Testament Hebrew in*

Preaching Paul D. Wegner,2008-10-01 Using Old Testament Hebrew in Preaching provides seminary trained preachers and preachers in the making with a refresher in Hebrew exegesis a description of the tools they need a process of transforming exegesis into exposition and a reminder of the benefits both to the preacher and congregation of using the original language It is intended as a Hebrew counterpart to David Alan Black s widely acclaimed Using New Testament Greek in Ministry Baker 1993 **The Book of Isaiah, Chapters 40-66** John N. Oswalt,1998-03-04 This long anticipated work completes John

Oswalt's two volume commentary on the book of Isaiah After opening with a valuable discussion on the state of Isaiah studies today Oswalt provides an insightful verse by verse explanation of Isaiah 40-66 giving special attention to the message of the prophet not only for his own time but also for modern readers *Mastering the Books of the Bible* Robert Allen Armstrong, 1916 It is the object of this book to aid those who would like to master a book of the Bible as they master a secular classic to get at its great message and at the same time enjoy its wonderful literature The author will attempt to give this aid by showing the value significance and beauty of Bible literature by furnishing materials out of which the student may construct the proper setting atmosphere and background for his reading by presenting and explaining a fruitful method of study and by giving many type studies to illustrate the application of this method Preface *Isaiah 40-66* Claus Westermann, 1969-04-15 This book a volume in the Old Testament Library series explores chapters 40-66 of the book of Isaiah The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing **Proclaiming Jesus** Thomas H. L. Cornman, 2007-01-01 In the days immediately following 9/11 Joseph Stowell attended a special Chicago Prayer Breakfast He was encouraged to learn there was much interest in God and spirituality among the attendees He was troubled however by the subtle implication common among the speakers that day that Jesus with His exclusive claims was unwelcome That given the broad diversity of religions in America we now need to give up the traditions that divide those of us who believe in God Stowell left the breakfast even more determined to preach the centrality of Christ in the church *Proclaiming Jesus* is a collection of essays written by faculty of the Moody Bible Institute in honor of Dr Stowell that take up the message he proclaimed making it clear that every area of church life and ministry is about Jesus *Isaiah 40-66* Howard Peskett, 2011-10-18 As Howard Peskett guides you through these eleven session LifeGuide Bible Study on Isaiah you'll dig deep into the prophet's revolutionary message of repentance forgiveness and hope And you'll find comfort for coping with your own troubled times **The Cumulative Book Index**, 1996 A world list of books in the English language **Isaiah 40-66**, 1976 *The Hebrew Scriptures* Samuel Sandmel, 1963 This book is addressed to the beginner not the scholar It is a non technical introduction non technical in the sense that when words or terms in the biblical Hebrew are used they are invariably explained and an introduction in the sense that it assumes little or no previous knowledge on the part of the reader Yet I have tried not to write down nor to set before the reader a mere array of superficialities Perhaps the aim of the book might be put in this way to acquaint the reader who goes on to become a biblical scholar in the fullest technical sense with basic material that he will not have to unlearn Preface *Isaiah 40-66* Gary V. Smith, 2009 The widely heralded New American Commentary series continues with this second volume on the Old Testament book of Isaiah detailing God's intimacy and grandeur **Isaiah 40 - 66**, 1982 **How to Know the Bible** Robert Allen Armstrong, 1922 *Isaiah 40-66* John Scullion, 1982 **Isaiah 40-66** Walter Brueggemann, 1998-10-01 In this volume Walter Brueggemann focuses on

Second Isaiah Isaiah 40 55 believed to be written by a second exilic poet and Third Isaiah Isaiah 56 66 a third group of texts that rearticulate Isaianic theology in yet another faith situation Brueggemann discusses both the distinctiveness of the texts and their canonical relatedness Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice Each volume explains the biblical book in its original historical context and explores its significance for faithful living today These books are ideal for individual study and for Bible study classes and groups

Sermon on the Mount Brad Price, 2019-11-20 The Sermon on the Mount helps show what it means to become a new creature in Christ 2 Cor 5 17 A secular illustration for this new life which is included in this book is found in an African story entitled The Dirty Basket According to this tale a young man became a Christian but soon learned he was still subject to strong temptations One day this recent convert went to his grandfather to discuss his many failings The grandfather suggested his grandson take a basket to the river and get some drinking water The grandson looked at the basket and said it was dirty The holes in this basket would prevent him from bringing back much water The grandfather insisted his relative do as he had asked The young man made six attempts to bring back water in this filthy basket and each time he failed After returning to his grandpa and complaining about the basket the grandfather pointed out how clean the basket had become Also the reeds from which the basket was made had swelled from all the water The Sermon on the Mount helps dirty and unholy people keep putting water in the basket to conform more and more to the image of Christ **Book List** Society for Old Testament Study, 1981
