Masterpieces In Miniature Stories By Agatha Christie:

Masterpieces in Miniature: The Detectives Agatha Christie, 2005-11-05 Agatha Christie is the world's most popular writer in modern times and her books have only been outsold by the Bible and Shakespeare. Best remembered for such classic crime novels as *Murder on the Orient Express* and *Then There Were None* and *Death on the Nile*, her works have been cherished by generations of readers. Christie however was also a master of the shorter crime story and this volume collects some of her finest short stories. Each of these thirty-nine stories features one of Christie's famous detectives: Miss Marple, Hercule Poirot, Parker Pyne, and Harley Quin in some of their most baffling and intriguing cases, as these ingenious Christie tales show how satisfying and compelling the crime short story can be. *Masterpieces in Miniature* Agatha Christie, 2005 *The Complete Short Stories* Agatha Christie, 2008-12 A boxed set of three bumper volumes containing every Agatha Christie story published in her UK books, a total of 159 stories including a few rarities exclusive to these volumes. *Masterpieces in Miniature* Agatha Christie, 2005 Short stories featuring Miss Marple, Hercule Poirot, Parker Pyne, and Harley Quin, four fictitious detectives created by Agatha Christie. *Secrets from the Agatha Christie Archives* Jared Cade, 2025-02-05 The untold story of how Agatha Christie conquered the serial market with her thrilling mysteries. Dame Agatha Christie reigns supreme as the Queen of Crime. Numerous books have been written about the legendary crime writer, focusing on nearly every aspect of her craft. But until now, no one has carried out an in-depth investigation into how she conquered the serial market with her thrilling tales of murder and intrigue. In the UK and US, Agatha Christie's work was serialized in the most prestigious magazines and newspapers of the day, often under an array of different titles prior to being published by Collins and Dodd Mead and Company. Second serial rights could result in a single title being syndicated to over 40 newspapers. Over the decades, numerous records have been lost or destroyed, and keeping track of her literary legacy has proved a major challenge for her publishers, literary agents, and others. Until now, Jared Cade, author of the ground-breaking biography *Agatha Christie and the Eleven Missing Days*, has unearthed a huge plethora of hitherto unknown facts about the timeline of her publishing history that will delight her devotees and enable future generations to write about her work with far greater authority and accuracy than ever before, especially when correlating her publications to the parallels in her life. Illustrated with rare pictures, *Secrets from the Agatha Christie Archives* is destined to become an essential reference tool for fans, librarians, scholars, antiquarian booksellers, broadcasters, and others interested in the making of one of the 20th century's most beloved writers. Jared Cade is an acknowledged authority on Christianna Crime Time. *Detectives and Young Adventurers* Agatha Christie, 2008 A brand new bumper omnibus gathering together over 50 classic Agatha Christie stories featuring Tommy and Tuppence Beresford, Harley Quin, Parker Pyne, and Hercule Poirot, plus her rare Christmas Stories, not available in any other volume. This new compendium of over 50 stories is the first time all the stories featuring Agatha Christie's detectives have been collected together. Here you will meet PARKER PYNE, a consulting detective whose practice is to solve less murderous

enigmas and restore happiness to his clients HARLEY QUIN a tall dark mysterious young man who takes a more surreptitious approach to solving crime TOMMY AND TUPPENCE BERESFORD a newly married pair of self styled Young Adventurers who are prepared to do anything in the name of justice And in addition to presenting the complete oeuvre for these detectives this volume includes as a bonus four rare short stories featuring that grand master of detection Monsieur HERCULE POIROT plus Agatha Christie s little known Christmas stories written for children including Star Over Bethlehem and The Naughty Donkey
