Don't Look Back In Anger Daniel Rachel,2019-09-05 The nineties was the decade when British culture reclaimed its position at the artistic centre of the world Not since the Swinging Sixties had art comedy fashion film football literature and music interwoven into a blooming of national self confidence It was the decade of Lad Culture and Girl Power of Blur vs Oasis When fashion runways shone with British talent Young British Artists became household names football was coming home and British film went worldwide From Old Labour's defeat in 1992 through to New Labour's historic landslide in 1997 Don't Look Back In Anger chronicles the Cool Britannia age when the country united through a resurgence of patriotism and a celebration of all things British But it was also an era of false promises and misplaced trust when the weight of substance was based on the airlessness of branding spin and the first stirrings of celebrity culture A decade that started with hope then ended with the death of the people's princess and 9/11 an event that redefined a new world order Through sixty eight voices that epitomise the decade including Tony Blair John Major Noel Gallagher Damon Albarn Tracey Emin Keith Allen Meera Syal David Baddiel Irvine Welsh and Steve Coogan we're live the epic highs and crashing lows of one of the most eventful periods in British history Today in an age where identity dominates the national agenda Don't Look Back In Anger is a necessary and compelling historical document

Frieze Art Fair Yearbook ,2006 **Mat Collishaw** Mat Collishaw,2009 *The Centrifugal Soul* Mat Collishaw,Craig Burnett,Waldemar Januszczak,James Parry,2017-05 In The Centrifugal Soul Mat Collishaw's forthcoming exhibition at Blain Southern the artist presents new sculpture installation and paintings Drawing on various forms of illusion the exhibition

explores ideas of superficial truth and the erosive effect of our primal urges for visual supremacy Collishaw worked with evolutionary psychologist Geoffrey Miller whose theory is that the origins of art stem from natural instincts of courtship and reproduction to produce the title work and centrepiece of the exhibition The Centrifugal Soul is a sculpture in the form of a zoetrope a pre film animation device that produces the illusion of motion through rapid rotation and stroboscopic light Throughout his work Collishaw has examined the way in which we consume imagery and how our biology has conditioned us to respond The exhibition reflects the consistent themes addressed in the artist s practice and the diversity of his chosen mediums Moreover it questions how much choice we have in accepting what seems to be a natural preoccupation with self image **Now It's My Turn to Scream** Roger Bevan, San Francisco Museum of Modern Art, 1999 *Creative Camera*, 1997 Flash Art, 2010
