*(Scotland, United Kingdom)* OECD, 2024-09-16 Glasgow City Region composed of eight Local Authorities is Scotland's largest  
integrated economic area accounting for a third of Scotland's jobs and economic output Over the last two decades the  
unemployment rate has decreased to a record low and the share of degree holders has increased significantly Despite its  
overall economic success and high growth potential Glasgow City Region faces several challenges The region's productivity  
levels compare poorly with other UK cities and major OECD metropolitan regions and income deprivation and economic  
inactivity are high As the economy has recovered from the COVID 19 pandemic the pressure on the labour market has  
increased resulting in labour shortages The challenges for Glasgow City Region's labour market call for greater efforts to  
enhance and future proof the skills and employability systems in the region This OECD report reviews and offers  
recommendations on three of the most pressing challenges facing the Glasgow City Region i reinforcing re and upskilling  
opportunities for individuals in work and aligning skills supply with demand ii enhancing labour market inclusion of the
