Materia Dispuesta

Elisa Di Biase

Materia Dispuesta:

Materia dispuesta Juan Villoro, 2023-09-08 Luego de que el terremoto de 1957 expulsara a su familia del cosmopolita centro de la Ciudad de México Mauricio Guardiola vive su infancia y adolescencia en las calles de Terminal Progreso un vecindario incrustado en el paisaje semirural de Xochimilco que parece haber cristalizado las promesas de un futuro brillante en simple nostalgia por el porvenir A la sombra de su padre un arquitecto vehemente y mujeriego obsesionado por plasmar la identidad mexicana en sus construcciones y acechado por las frases edificantes que su madre pega en la puerta del refrigerador Mauricio se inicia en la sexualidad la amistad el enamoramiento y la búsqueda de vocación de la mano de una serie de personajes cifrados por sus manos Pero es acaso posible adquirir convicciones firmes en un suelo movedizo En un territorio tan vacilante como la Ciudad de México cualquier certidumbre puede parecer absurda Con una prosa ágil y gran sentido del humor Juan Villoro construye un irónico reverso de la novela de aprendizaje en el que la adultez se muestra como una condición de insuficiencia A más de veinte años de su primera publicación Almadá reedita con orgullo Materia dispuesta crisol de las obsesiones y el genio literario de uno de los escritores más reconocidos y queridos de la lengua castellana

Societal Constructions of Masculinity in Chicana and Mexican Literature Bryan Pearce-Gonzales, Kathryn Quinn-Sánchez, 2021-09-07 Societal Constructions of Masculinity in Chicana and Mexican Literature From Machismo to Feminist Masculinity demonstrates how masculinity has been constructed and deconstructed as a challenge or reinforcement of patriarchy in cultural works over the last 50 years The discussion therein focuses on the cultural shift towards a feminist masculinity and how this change is represented in Chicana and Mexican literature and Mexican telenovelas The book begins with how violence citizenship and masculinity become intertwined as patriarchy fights both literally and figuratively to regain the ground it lost to women's agency during WWII It explores the author's subversion of the status quo through imagining a new aesthetic based on a poetic masculinity which highlights new forms of social relations that validate new masculinities This is followed by examining texts from the aftermath of the Mexican Revolution that demonstrate how by pairing the successes and failures of the nation with masculinity one can see that as time progresses the very definition of what it signifies to be a Mexican male has been adapting along with the State The book also explains how fatherhood has been represented in Chicana literature and considers masculine relationships more broadly The analysis of the telenovelas in this volume indicates how homosexuality serves as the catalyst for a reconfiguring of gender narratives ultimately leading to change and acceptance within Mexican society while providing an unequivocal look into the future of masculinity as it begins to overthrow its historical gender binaries This book will appeal to advanced undergraduates graduate students and professionals both specialists and generalists in fields including Gender Studies Women's Studies Comparative Studies Chicana o Studies Latina o Studies Latin and American Studies and Cultural Studies Feminists and activists for human rights will also find this an interesting and valuable text The Contemporary Spanish-American Novel Will H. Corral, Juan E. De

Castro, Nicholas Birns, 2013-09-26 The Contemporary Spanish American Novel provides an accessible introduction to an important World literature While many of the authors covered Aira Bola o Castellanos Moya V squez are gaining an increasing readership in English and are frequently taught there is sparse criticism in English beyond book reviews This book provides the guidance necessary for a more sophisticated and contextualized understanding of these authors and their works Underestimated or unfamiliar Spanish American novels and novelists are introduced through conceptually rigorous essays Sections on each writer include the author s reception in their native country Spanish America and Spain biographical history a critical examination of their work including key themes and conceptual concerns translation history scholarly reception The Contemporary Spanish American Novel offers an authoritative guide to a rich and varied novelistic tradition It covers all demographic areas including United States Latino authors in exploring the diversity of this literature and its major themes such as exile migration and gender representation Instituciones Oratorias Quintilian, 1911 **Revista Forestal**

, 1873 **Compendio cirurgico util y provechoso a sus profesores** Diego Antonio de Robledo, 1703 **Ciudad de México, ciudad material: agua, fuego, aire y tierra en la literatura contemporánea** Elisa Di Biase, 2021-11-18 El presente libro aborda una serie de obras de la literatura contemporánea de la Ciudad de México en particular aunque no exclusivamente de los escritores Jos Emilio Pacheco Juan Villoro y Fabrizio Mejía Madrid desde el punto de vista de la geocrítica y de la imaginación de la Ciudad de México ligada a los cuatro elementos En este sentido pretende demostrar que a través de las sustancias primordiales y de las figuras míticas y apocalípticas que con ellas construyen los autores que viven y retratan la megalópolis actual está continúamente ligada a sus mitos fundacionales y recurre a ellos de manera consistente con el fin de no disgregarse y mantener su identidad Por otro lado se alía los fuertes vínculos entre la realidad geográfica y material de la urbe con el imaginario literario que se desprende de ella fruto de la vivencia de sus habitantes **Documentos históricos de Méjico: Memoriales de fray Toribio de Motolinia. 1903** Luis García Pimentel, 1903 **Autores dramáticos contemporáneos: Prólogo general, por Antonio Cánovas del Castillo.
