**James B. Petersen**

## **Material Anthropology Contemporary Approaches To Material Culture:**

**Material Anthropology** Barrie Reynolds, Margaret A. Stott, 1987-08-24 A selection of papers presented at a symposium at the eleventh International Congress of Anthropological and Ethnological Sciences in 1982 summarizing what the participants view to be important directions for growth and development in material studies and highlighting exciting recent material culture research

*The Oxford Handbook of Material Culture Studies* Dan Hicks, Mary C. Beaudry, 2010-09-02 Written by an international team of experts the Handbook makes accessible a full range of theoretical and applied approaches to the study of material culture and the place of materiality in social theory presenting current thinking about material culture from the fields of archaeology anthropology geography and science and technology studies

**Handbook of Material Culture** Christopher Y. Tilley, 2006-01-26 Provides a critical survey of the theories concepts intellectual debates substantive domains and traditions of study characterizing the analysis of things This handbook charts an interdisciplinary field of studies that makes a fundamental contribution to an understanding of what it means to be human

*Modern Material Culture* Richard A. Gould, Michael B. Schiffer, 1981-05-28 Modern Material Culture The Archaeology of Us presents the relationships between human behavior and materials to contemporary societies This book discusses the various aspects of material behavior in contemporary human societies Organized into three parts encompassing 21 chapters this book begins with an overview of the theory and teaching of the material culture approach This text then presents ethnographic case studies that posit various general statements about human behavior in relation to materials as varied as herbs coins fences graffiti and domestic architecture Other chapters consider a variety of topics ranging from mortuary practices and beliefs to the reuse and recycling of goods in the U S This book discusses as well the experimental approaches to material culture studies The final chapter deals with the artifacts of aboriginal Australian settlements This book is a valuable resource for archeologists anthropologists and readers who are interested in human behavior in relation to materials

*New Approaches to Ancient Material Culture in the Greek & Roman World* Catherine Cooper, 2020-11-16 New Approaches to Ancient Material Culture in the Greek Roman World is about Classical Archaeology at its broadest and is important reading to all Classicists As part of a recent movement to highlight the rich diversity of the subject it overcomes traditional disciplinary boundaries to show the variety of current approaches to the study of Classical Antiquity from the Late Bronze Age to the Late Antique period The multi disciplinary papers deal with archaeology and art history museum objects and fieldwork data ancient texts and material culture archaeological theory and historiography and technical and literary analysis The international contributors discuss a selection of methodologies currently used to study ancient material and illustrate their relevance through case studies which span the Greek and Roman world

**Handbook of Research on the Facilitation of Civic Engagement through Community Art** Hersey, Leigh Nanney, Bobick, Bryna, 2016-12-05 Outreach and engagement initiatives are crucial in promoting community development This can be achieved through a number of methods including

avenues in the fine arts The Handbook of Research on the Facilitation of Civic Engagement through Community Art is a comprehensive reference source for emerging perspectives on the incorporation of artistic works to facilitate improved civic engagement and social justice Featuring innovative coverage across relevant topics such as art education service learning and student engagement this handbook is ideally designed for practitioners artists professionals academics and students interested in active citizen participation via artistic channels Material Culture and Technology in Everyday Life Phillip Vannini, 2009 Focusing on the technoculture of everyday life this book attempts to zero in on the simplicity and the habitual character of the interaction between humans and material objects which is often assumed or taken for granted Because objects are always meaningful in the pragmatic use to which they are directed the material world of everyday life can be seen as a technoculture of its own one made of behaviors as simple and yet as significant as using a lawnmower or decorating one's body In discussing the unique methodological components of the ethnography of the technoculture of everyday life this book begins a dialogue on how we can examine from the participants perspective the interconnections between social agents their technological material practices their material objects or technics and their social and material environment

**Photographs Objects Histories** Elizabeth Edwards, Janice Hart, 2004-06 This innovative volume explores the idea that while photographs are images they are also objects and this materiality is integral to their meaning and use The case studies presented focus on photographs active in different institutional political religious and domestic spheres where physical properties the nature of their use and the cultural formations in which they function make their objectness central to how we should understand them The book's contributions are drawn from disciplines including the history of photography visual anthropology and art history with case studies from a range of countries such as the Netherlands North America Australia Japan Romania and Tibet Each shows the methodological strategies they have developed in order to fully exploit the idea of the materiality of photographic images **Perspectives on Anthropological Collections from the American Southwest**

Ann Lane Hedlund, Arizona State University. Department of Anthropology, 1989 *Material Anthropology* Barrie Reynolds, Margaret A. Stott, 1987 A selection of papers presented at a symposium at the eleventh International Congress of Anthropological and Ethnological Sciences in 1982 summarizing what the participants view to be important directions for growth and development in material studies and highlighting exciting recent material culture research **Outward**

**Appearance versus Inward Significance** Aleksandra Hallmann, 2025-06-16 Clothes are often considered mundane yet they play a crucial role in people's lives beyond mere bodily protection The meaning of a piece of clothing changes the moment it is worn as it becomes associated with its wearer Because attire can demonstrate affiliation with a particular religious ethnic or political group it serves as an important means of constructing self identity and plays a vital role in social acculturation and assimilation To understand what clothing reveals about the ethnicity beliefs social rank profession gender or age of the wearer one must examine its sociocultural context and the nonverbal language it conveys This volume takes a

multidisciplinary and comparative approach to dress studies in the ancient world Spanning a wide geographic spectrum from the Near East and North Africa to the Mediterranean world and the Americas it explores the cultural social and political significance of attire and engages the reader in a debate about the cross culturally developed role of dress in construing and projecting various identities Essays by experts from a range of disciplines including art history anthropology archaeology classics Near Eastern studies and conservation approach the subject from different perspectives apply varied methodologies and draw on a diverse array of primary sources including artifacts iconography and texts to offer a nuanced understanding of the clothed self in ancient societies This book will be of interest not only to experts in dress studies but to everyone

interested in the cultural anthropology of dress and fashion      **A Most Indispensable Art** James B. Petersen,1996 This collection of essays chronicles the diversity and richness of one broad category of traditional material culture fiber industries or textiles among prehistoric and historic Native Americans in eastern North America Such industries which include basketry fabrics cordage and netting played an important role in the economic social and ceremonial life of indigenous cultures However because of the extreme age of the artifacts their fragile nature and unfavorable preservation conditions knowledge of these industries has long been incomplete resulting in a gap in scholarship that this volume does much to address

**Material Culture and Mass Consumerism** Daniel Miller,1997-12-08 Exploring materialism and social relationships in modern culture Material Culture and Mass Consumption offers an in depth exploration of objects objectification ideology and materialism in modern society Drawing from Hegel Marx Munn and Simmel the discussion delves into the physicality of the material world and attempts to understand materialism as a form of cultural expression Targeting mass production as the root of mass consumption rather than the result this book positions material goods at odds with genuine social interaction and questions these relationships from the abstract to the intensely specific      **Material Culture in America** Helen

Sheumaker,2008 You can tell a lot about people by looking at their stuff the things they make process and value That is the idea that drives the field of material culture in which scholars explore the meaning of objects of a given society This book is the first encyclopedia to look at the study of material culture and what it reveals about life in the United States Jacket

Zeitschrift für Ethnologie ,1994 List of members of the Society in 1903 19      **Material History Review** ,2002

**Vernacular Architecture Newsletter** ,1989      Historical Archaeology and the Study of American Culture Lu Ann De Cunzo,Bernard L. Herman,1996 In this volume of essays historical archaeologists and scholars from a variety of other fields explore creative approaches to material culture as a form of cultural expression The essays derived from papers first presented at the 1991 Winterthur Conference emphasize material culture s communicative qualities its roles in social performance the construction of identity and the mediation of interaction and its interpretive limitations A special concern with contexts in their myriad forms resonates throughout the volume The contributors not only describe time and place but they seek the intimate social and symbolic details of human agency in all their diversity The essays reveal how dynamic

archaeological thinking can appeal to a broader audience The first section Construction of Context Negotiating Consumer Culture groups six essays that foreground people and their choices in diverse consumer contexts The authors examine the ways that material culture illuminates the cultural dialogues between New England s native peoples and European traders urbane Virginians and their country cousins Southern slaves and their owners agrarian potters and industrial capitalists and nineteenth century Americans and the brokers of consumer culture In the second section In the Active Voice Remaking the American Landscape the attention shifts from people to the land they inhabited and changed Through close reading of multiple data sources at many scales from microscopic pollen grains to urban plans the authors of these four essays trace the remaking of eighteenth and nineteenth century American farms and cities In the third section Working toward Meaning The Scope of Historical Archaeology the authors work outward from the preceding studies directly engaging the reader in the process of reinventing historical archaeology Together with the other contributions to this volume these three concluding essays demonstrate the important place of historical archaeology in the interdisciplinary arena of material culture studies

*The Best Books for Academic Libraries: Social sciences*, 2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers      *Material Culture* Kenneth L. Ames, 1985
