## **Material Christianity Religion And Popular Culture In America:**

Material Christianity Colleen McDannell, 1995-01-01 What can the religious objects used by nineteenth and twentieth century Americans tell us about American Christianity What is the relationship between the beliefs of the faithful and the landscapes they build This lavishly illustrated book investigates the history and meaning of Christian material culture in America over the last 150 years Drawing on a rich array of historical sources and on in depth interviews with Protestants Catholics and Mormons Colleen McDannell examines the relationship between religion and mass consumption She describes examples of nineteenth century religious practice Victorians burying their dead in cultivated cemetery parks Protestants producing and displaying elaborate family Bibles Catholics writing for special water from Lourdes reputed to have miraculous powers And she looks at today s Christians Mormons wearing sacred underclothing as a reminder of their religious promises Catholics debating the design of tasteful churches and Protestants manufacturing marketing and using a vast array of prints clothing figurines jewelry and toys that some label Jesus junk but that others see as a witness to their faith McDannell claims that previous studies of American Christianity have overemphasized the written cognitive and ethical dimensions of religion presenting faith as a disembodied system of beliefs She shifts attention from the church and the theological seminary to the workplace home cemetery and Sunday school highlighting a different Christianity one in which average Christians experience the divine the nature of death the power of healing and the meaning of community through interacting with a created world of devotional images environments and objects *The ^AOxford Handbook of the Bible and American Popular Culture* Dan W. Clanton, Jr., Terry R. Clark, 2020-11-24 The study of the reciprocal relationship between the Bible and popular culture has blossomed in the past few decades The Oxford Handbook of the Bible and American Popular Culture assesses the current state of the field offers examples of work in that field and suggests future directions for further study *Elvis Culture* Erika Doss, 1999 Doss fine arts and American studies U of Colorado Boulder examines the image of Elvis from a number of perspectives including as a religious icon honored in household shrines as a sexual fantasy for women and men as an inspiration for impersonators as a not altogether positive emblem of whiteness for many blacks and as a commodity to be protected by Elvis Presley Enterprises Bandw illustrations Annotation copyrighted by Book News Inc Portland OR **Mediating Faiths** Michael Bailey, Guy Redden, 2011 Mediating Faiths brings together scholars working across a range of fields including cultural studies media sociology anthropology cultural theory and religious studies in order to illustrate how religion continues to be responsive to the very latest social and cultural developments in the environments in which it exists They raise fundamental questions concerning new media and religious expression religious youth cultures the links between spirituality personal development and consumer culture and contemporary intersections of religion identity and politics **Encyclopedia of Religion in America** Charles H. Lippy, Peter W. Williams, 2010 Explores the origins development influence and interrelations of the many faiths practiced in North America including major world religions and

emerging sects cults and movements      *Religion and Popular Culture in America* Bruce David Forbes, Jeffrey H. Mahan, 2005-11-17 PRAISE FOR THE FIRST EDITION A solid introduction to the dialogue between the disciplines of cultural studies and religion A substantive foundation for subsequent exploration Religious Studies Review A splendid collection of lively essays by fourteen scholars dealing with religion and popular culture on the contemporary American scene Choice

**Catholics in the Movies** Colleen McDannell, 2007-12-24 Catholicism was all over movie screens in 2004 Mel Gibson's *The Passion of the Christ* was at the center of a media firestorm for months A priest was a crucial character in the Academy Award winning *Million Dollar Baby* Everyone it seemed was talking about how religious stories should be represented marketed and received Catholic characters spaces and rituals have been stock features in popular films since the silent era An intensely visual religion with a well defined ritual and authority system Catholicism lends itself to the drama and pageantry of film Moviegoers watch as Catholic visionaries interact with the supernatural priests counsel their flocks reformers fight for social justice and bishops wield authoritarian power Rather than being marginal to American popular culture Catholic people places and rituals are all central to the world of the movie *Catholics in the Movies* begins with an introductory essay that orients readers to the ways that films appear in culture and describes the broad trends that can be seen in the movies hundred year history of representing Catholics Each chapter is written by a noted scholar of American religion who concentrates on one movie engaging important historical artistic and religious issues Each then places the film within American cultural and social history discusses the film as an expression of Catholic concerns of the period and relates the film to others of its genre Tracing the story of American Catholic history through popular films *Catholics in the Movies* should be a valuable resource for anyone interested in American Catholicism and religion and film      **Religion in America**

Julia Mitchell Corbett, Julia Corbett Hemeyer, 1999-07 For undergraduate courses in Religion in America Concise yet thorough this text introduces the vast variety of religious groups and activities both ecclesiastical and popular that make up the American religious picture today It presents the academic study of religion within the context of the humanities discussing religion in a spirit of mutual exploration and learning rather than in terms of what is right and wrong Coverage emphasizes the current state of today's religions paying particular attention to the religious diversity found in the United States

**Religion and Popular Culture in America, Third Edition** Bruce David Forbes, Jeffrey H. Mahan, 2017-03 Since 2000 *Religion and Popular Culture in America* has been one of the standard books used in teaching this area of study Modestly updated in 2005 it continues to be taught in colleges universities and theological schools across the continent The basic four part structure of *Religion and Popular Culture in America* remains sound and is a feature that appeals to many who have taught the volume Section One Religion in Popular Culture examines the way traditional religious symbols narratives and forms of religious practice appear in popular culture Section Two Popular Culture in Religion considers how religion takes on and is reshaped by styles and values of popular culture Section Three Popular Culture as Religion explores

the ways that aspects of popular culture and their reception might be considered to be forms of religion Section Four Religion and Popular Culture in Dialogue introduces religiously based critiques of popular culture and ways that popular culture articulates common critiques of religion The third edition maintains the structure and basic length of the current edition and retains Forbes introductory framework and update versions of key essay But they replace many of the more dated subjects with new material drawing on more contemporary examples A concluding essay by Mahan organizes key insights from the essays and relates them to the theories of popular culture illuminated in the introduction Provided by publisher

*Evangelical Studies Bulletin*, 1995 *Religion and American Cultures* Gary Laderman, Luis D. León, 2003 Looks at religious diversity in the United States from mainstream faiths to Wicca and Zen discussing faith religious practices traditions and history of religions The only multicultural survey of established and new American religions this exhaustive three volume encyclopedia explores the fascinating interactions between religion and ethnicity gender regionalism and popular culture This three volume reference for a general and student high school and above audience was prepared under the editorial leadership of Laderman American religious history and culture Emory U and Latino studies and religious studies U of California Berkeley with signed contributions from a long list of scholars It comprises 26 anchor essays and some 120 supplementary essays each with cross references and a bibliography examining religions both within and outside of the mainstream as well as themes such as sacred spaces sexuality films and religious communities on the Internet The final volume offers primary source documents that exemplify religious diversity Over 150 essays written by more than 140 expert scholars richly illustrated with images depicting a wide range of religious figures and activities as well as significant religious sites in the United States An entire volume of primary source documents that captures the reality of religious diversity in American culture including a copy of Cecil B DeMille's essay the Screen as Religious Teacher published in 1927 as well as more conventional materials on Christian Science the New Age and Buddhism to name only a few of the religious traditions covered in this collection Presidential Temples Benjamin Hufbauer, 2005 This book explores the visual and material cultures of presidential commemoration memorials and monuments libraries and archives and the problematic ways in which presidents themselves have largely taken over their own commemoration The author sees these various commemorative sites as playing a key role in the construction of our collective political and cultural self images and as another sign of our preoccupation with celebrity culture Ultimately he contends these presidential temples reflect not only our civil religion but also the extraordinary expansion of executive authority and presidential self commemoration since FDR Religion, Culture and Politics in the Twentieth-century United States Mark Hulsether, 2007 Anyone who seeks to understand the dynamics of culture and politics in the United States must grapple with the importance of religion in its many diverse and contentious manifestations With conservative evangelicals forming the base of the Republican Party racial ethnic communities often organised along religious lines and social political movements on the left including major religious components many of the

country's key cultural political debates are carried out through religious discourse. Thus it is misleading either to think of the US as a secular society in which religion is marginal or to work with overly narrow understandings of religion which treat it as monolithically conservative or concerned primarily with otherworldly issues. In this volume Mark Hulsether introduces the key players and offers a select group of case studies that explore how these players have interacted with major themes and events in US cultural history. Students in American Studies and Cultural Studies will appreciate how he frames his analysis using categories such as cultural hegemony, race and gender contestation, popular culture and empire. Key Features: Provides a concise introduction to the field. Balances a stress on religious diversity with attention to power conflicts within multiculturalism. Dramatizes the internal complexity and dynamism of religious communities. Brings religious issues into the field of cultural studies, building bridges that can enable more informed and constructive discussion of religion in these fields. Provides an integrated view of religion and its importance in recent US history.

**America's Religions** Peter W. Williams, 1990. In a review in the *Journal of Religion* the famed Martin Marty characterized Peter Williams as a productive wonder and *America's Religions: Traditions and Cultures* as a rich resource for readers who would like a state-of-the-art comment on the abundant religious phenomena which surround them. Writing in *Religion and American Culture* Stephen J. Stein said the book is not a story of religion in isolation from the rest of American life but a work that has as a major emphasis the theme of Americanization of the symbiotic relationship between religions and cultures. Williams's book widely considered the best of its kind is a comprehensive introduction to the religious history of the United States and the traditions out of which it arose from colonial times through the late twentieth century. Now including an updated bibliography it presents descriptions of major religious traditions and introduces distinctive American innovations. Included are not only Christianity, Judaism and Islam but African American, Native American and Asian American traditions. The peace churches, liberal churches and Mormonism also are discussed.

*Chicago Tribune Index*, 1996      **Circa Art Magazine**, 2003      [A Mosaic of Believers](#) Gerardo Marti, 2005. Mosaic in southern California is one of the largest and most innovative multiethnic congregations in America. Gerardo Marti shows us how this unusual church has achieved multiethnicity not by targeting specific groups but by providing multiple havens of inclusion that play down ethnic differences. He reveals a congregation aiming to reconstruct evangelical theology, personal identity, member involvement and church governance to create an institution with greater relevance to the social reality of a new generation.

**Carry A. Nation** Fran Grace, 2001. Using newly available archival materials and placing Nation in her various historical and cultural contexts, Grace retells the crusader's tumultuous life.

**BOOK JACKET      Religion, the Social Context** Meredith B. McGuire, 1997. This is a sound theory-based, integrated approach to religions' place in society. Purposefully selective rather than encyclopedically descriptive, the text looks at religion in the context of many cultures. Each chapter is organized according to important theoretical issues such as how religion is related to social cohesion and conflict.

### **Material Christianity Religion And Popular Culture In America Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Material Christianity Religion And Popular Culture In America free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Material Christianity Religion And Popular Culture In America free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Material Christianity Religion And Popular Culture In America free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Material Christianity Religion And Popular Culture In America. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as

Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Material Christianity Religion And Popular Culture In America any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Material Christianity Religion And Popular Culture In America Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Material Christianity Religion And Popular Culture In America is one of the best book in our library for free trial. We provide copy of Material Christianity Religion And Popular Culture In America in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Material Christianity Religion And Popular Culture In America. Where to download Material Christianity Religion And Popular Culture In America online for free? Are you looking for Material Christianity Religion And Popular Culture In America PDF? This is definitely going to save you time and cash in something you should think about.
