**Maternity Style** Maryann Bucknum Brinley, 1985-01-01    [Yankee](#), 1956    *Liz Lange's Maternity Style* Liz Lange, 2003 When designer Liz Lange was thinking about getting pregnant for the first time and watching her friends struggle with the available choices in maternity wear she was shocked. With no shortage of baggy tops, gaudy bows and pants with big panels, Liz was faced with the frustrating truth: fashion and pregnancy do not always make a compatible pair. Luckily for pregnant women all over the result was Liz's renowned collection of classic, comfortable maternity wear. Now, Liz Lange's Maternity Style presents all of Liz's personal and professional insights for women who refuse to relinquish chic simply because they are expecting. In her direct, upbeat voice, Liz shows how to make the most of a difficult fashion-challenged time without replacing your entire wardrobe. Celebrating the swelling belly, so many maternity clothes attempt to camouflage her tasteful approach shows pregnant women how to dress both to accentuate and to slim their changing bodies, including those pesky postpartum months spent working your way back into your favorite jeans. Liz Lange's Maternity Style provides advice on everything from color choice to accessories, casual Fridays to holiday parties, exercise or lounge wear to weekend staples, all building from a carefully selected wardrobe focused on mixing and matching sensibility and style. Lively illustrations, fun celebrity photos and great features like must have pieces and splurge vs. save items all add up to a friendly, eminently useful and fun to read guide. A much-needed handbook for the roller coaster ride that is pregnancy, Liz Lange's Maternity Style will help you keep your sense of style and self.
