because by doing so he would have laid bare his sore before his servants He could not follow her because he knew that he should not find her alone in her room Nor did he wish for any further parley because he knew that she would speak loud and probably sob nay very possibly proceed to a fainting fit And moreover he much doubted whether he would have the power to keep her in the house if it should be her pleasure to leave it And then what should he do The doing of something in such a catastrophe was he thought indispensable Was ever a man so ill treated Was ever jealousy so groundless Here was a woman with whom he was on the point of quarrelling who was engaged to be married to another man whom for months past he had only seen as a client and on her account he was to be told by his wife that she would not consent to live with him Yes it was quite indispensable that he should do something About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Farm. By: Anthony Trollope Anthony Trollope, 2017-02 *Orley Farm* is a novel written in the realist mode by Anthony Trollope 1815 82 and illustrated by the Pre Raphaelite artist John Everett Millais 1829 96 It was first published in monthly shilling parts by the London publisher Chapman and Hall Although this novel appeared to have undersold possibly because the shilling part was being overshadowed by magazines such as *The Cornhill* that offered a variety of stories and poems in each issue *Orley Farm* became Trollope s personal favourite George Orwell said the book contained one of the most brilliant descriptions of a lawsuit in English fiction The house in the book was based on a farm in Harrow once owned by the Trollope family The real life farm became a school which was originally supposed to be the feeder school to Harrow School It was renamed *Orley Farm School* after the novel with Trollope s permission Plot When Joseph Mason of Groby Park Yorkshire died he left his estate to his family A codicil to his will however left *Orley Farm* near London to his much younger second wife and infant son The will and the codicil were in her handwriting and there were three witnesses one of whom was no longer alive

A bitterly fought court case confirmed the codicil Twenty years pass Lady Mason lives at Orley Farm with her adult son Lucius Samuel Dockwrath a tenant is asked to leave by Lucius who wants to try new intensive farming methods Aggrieved and knowing of the original case John Kenneby one of the codicil witnesses had been an unsuccessful suitor of his wife Miriam Usbech Dockwrath investigates and finds a second deed signed by the same witnesses on the same date though they can remember signing only one He travels to Groby Park in Yorkshire where Joseph Mason the younger lives with his comically parsimonious wife and persuades Mason to have Lady Mason prosecuted for forgery The prosecution fails but Lady Mason later confesses privately that she committed the forgery and is prompted by conscience to give up the estate There are various subplots The main one deals with a slowly unfolding romance between Felix Graham a young and relatively poor barrister without family and Madeline Staveley daughter of Judge Stavely of Noningsby Graham has a long standing engagement to the penniless Mary Snow whom he supports and educates while she is being moulded to be his wife Between the Staveleys at Alston and Orley Farm at Hamworth lies the Cleve where Sir Peregrine Orme lives with his daughter in law Mrs Orme and grandson Peregrine Sir Peregrine falls in love with Lady Mason and is briefly engaged to her but she calls off the match when she realises the seriousness of the court case Meanwhile Mr Furnival another barrister befriends Lady Mason arousing the jealousy of his wife His daughter Sophia has a brief relationship with Augustus Stavely and a brief engagement to Lucius Mason Eventually Furnival and his wife are reconciled and Sophia's engagement is dropped Sophia is portrayed as an intelligent woman who writes comically skilful letters Anthony Trollope 24 April 1815 6 December 1882 was an English novelist of the Victorian era [Orley Farm, Vol. 5 \(Classic Reprint\)](#) Anthony Trollope,2018-10-06 Excerpt from Orley Farm Vol 5 It is respectfully suggested that the Trade Mark and name in full should be observed on meh Package as Similar articles are sometimes substituted or recommended as the same About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Orley Farm](#) Anthony Trollope,2019-06-24 This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature In an attempt to preserve improve and recreate the original content we have worked towards 1 Type setting Reformatting The complete work has been re designed via professional layout formatting and type setting tools to re create the same edition with rich typography graphics high quality images and table elements giving our readers the feel of holding a fresh and newly reprinted and or revised edition as opposed to other scanned printed Optical Character Recognition OCR reproductions 2 Correction of imperfections As the work was re created
