Harney,2009-12-15 Discover the joy of serving others How can you identify full devoted followers of Christ Their servant lifestyle gives them away In our me first culture servanthood is the earmark of men and women who have discovered the joy of giving But the secret to servanthood isn't running yourself ragged trying to be everything to everyone it's pouring freely out of a full cup the things you were designed to give Love in Action shows how you can break the back of self centeredness and experience the satisfaction of serving others wisely and effectively You'll discover how sharing your unique personal resources and spiritual gifts can become a source of strength to others worship and praise to God and a personal delight that nothing else can match Interactions a powerful and challenging tool for building deep relationships between you and your group members and you and God Interactions is far more than another group Bible study It's a cutting edge series designed to help small group participants develop into fully devoted followers of Christ **Essential Christianity** Bill Hybels, Kevin & Sherry Harney,2009-12-15 The essentials of faith You can build a life on them Like a house built on a firm foundation the Christian faith is founded on some key enduring truths Do you know what they are If not you owe it to yourself to find out whether you're building your life and your eternity on solid ground Essential Christianity is your invitation to spiritual discussion with others as you explore the basics of faith principles deeper and more far reaching than you may have imagined You'll learn what it means to really know Christ You'll discover the secret to confident living how to grow spiritually how to handle your failures how to follow Jesus in a world that's anything but devoted to Him and the different ways God wants to guide you in the practical concerns of life Interactions a powerful and challenging tool for building deep relationships between you and your group members and you and God Interactions is far more than another group Bible study It's a cutting edge series designed to help small group participants develop into fully devoted followers of Christ *Reaching Out* Bill Hybels, Kevin & Sherry Harney,2010-02-23 You probably don't think of yourself as an evangelist Most Christians would rather leave evangelism to a select few with special talent for outreach But when Christ gave the command to spread the Gospel He gave it to us all Because He knew we'd each have something unique to offer as His witnesses to the world In Reaching Out Bill Hybels helps you develop your own evangelism style one that fits your personality like a glove You'll discover the meaning and importance of sharing your faith and learn the motivation and mind set behind evangelism You'll also get the solid guidance and seasoned tips you need to put it all into motion successfully As you walk through this proven highly effective approach you'll find your hesitations melting into an enthusiasm for winning lost men and women to Christ Interactions a powerful and challenging tool for building deep relationships between you and your group members and you and God Interactions is far more than another group Bible study It's a cutting edge series designed to help small group participants develop into fully devoted followers of Christ **Zondervan Bible Study Guide Sampler** ,2004 The Zondervan Bible study guide sampler includes sixteen complete small group sessions from some of the bestselling series available today It also includes one entire chapter from six of the leading books to move your small group ministry forward
