## **Mastering The New Testament A By Commentary Volume 2 Mark:**

**Their Master's Voice** Chris Woodall,2020-11-03 Of the five books that make up the Major Prophets in the Old Testament three are amongst the largest of the Bible Isaiah Jeremiah and Ezekiel As if to underscore their Major status each one is significantly longer than the Minor Prophets combined Although the specific details of each prophet's contribution differ a more general overarching theme may be discerned in them all to remind their respective target audiences of their covenantal obligations The prevailing human condition throughout the ages ensures that while circumstances cultural development and technological advancements do change with time the underlying sinful disposition of mankind remains constant in every epoch Mercifully God's messages to both victim and perpetrator alike are similarly unchanging In the stream of progressive revelation it would be irresponsible simply to dip into the waters of the Old Testament and translate its lessons to our day without due process That process might include asking certain questions of the texts under consideration Are the lessons provided by these Old Testament saints applicable to us as Christians in the twenty first century Do their words still speak today Only if Christian believers are still prone to such folly as chasing disposable pleasures instead of choosing meaningful pursuits

At the Foot of the Son Michael Ferguson,2025-05-23 Have you ever wondered what Jesus meant in His parables At the Foot of the Son The Parables of Jesus takes you on a journey through the forty two parables of Jesus helping you unlock the meaning and making these timeless stories easy to grasp and meaningful for today Go on a journey exploring each parable in its original setting and gaining an understanding of the everyday life of the people Jesus spoke to You'll learn why Jesus used examples like farming fishing and family roles and how those lessons still apply to us Whether you've struggled to connect with these stories or have always wanted to understand them on a deeper level this book offers a guide to what they meant to the people who first heard them and what they mean for us today Each chapter includes the Bible verses for the parable so you can follow along and experience the teachings of Jesus for yourself This book invites you to sit at the feet of Jesus just like the crowds did two thousand years ago and hear His voice speaking directly to you Whether you're new to the Bible or seeking fresh insights At the Foot of the Son The Parables of Jesus will guide you in understanding how Jesus's words and teachings are still powerful and life changing today So take your seat at the foot of the Son and discover how these parables reveal God's heart and guide us in our walk of faith
