It is a relatively new genre similar to a book review section in academic journals and magazines. With technology's rapid and disruptive development teaching and learning in the EFL context may not be the same anymore. Numerous tools prominently digital ones have been massively utilized within and beyond the classroom walls. Yet one thing remains the same: the pedagogical aspects comprising clear and scaffolded learning stages incorporated with technologies must present insights and bring about benefits to the instruction. The Software Encyclopedia 2001, 2001. A school-to-school partnership on reading comprehension Joefel Horca, Maria Bernadette C. Peji, Joie E. Buendía, Arcely M. Lucero, 2019-08-09 Academic Paper from the year 2018 in the subject Education Reading Instruction grade Grade four language English abstract. The project ReFUND aims to gauge the impact of the program on the participants' reading comprehension through the use of Activities on Better Reading Comprehension ABRC materials. The recipients of the said program are the 84 grade four pupils who were categorized under the frustration level after the Phil IRI Philippine Informal Reading Inventory was conducted. Post test result seems to indicate that the participants' reading comprehension level improved to instructional level since their scores range between five to seven. Moreover, the t test computed value suggests that there is a significant difference on the participants' pre test and post test results. Hence with the seemingly successful outcome of the program S Elementary School deem to continue the program even without budget allocation from the Department of Education DepEd. Reading plays a vital role to every individual as it is the key to literacy. Pardo suggests in his study that is important for pupils to acquire decoding skills, fluency, skill background knowledge, vocabulary, motivation, and engagement to develop good comprehension skill. Moreover, Dougherty Stahl suggests that effective reading comprehension is the culmination of mastering vocabulary, phonics, fluency, and reading comprehension skills. **The Publishers Weekly**, 2003.
