Leadbeater,2015-10-13 FOREWORD There is only one reason why I should write this Foreword to the book written by my honoured colleague It speaks of many things which have hitherto been studied and discussed within a comparatively small circle consisting of students well versed in Theosophical knowledge and ready to study statements concerning regions which they could not yet enter for themselves but hoped to enter later and then to verify for themselves the statements made by their seniors The rapid changes in the world of thought arising from the nearness of the Coming of the World Teacher render useful some information as to a part of the world in which He lives information which may perhaps to some extent prepare the public mind for His teachings Be that as it may I desire to associate myself with the statements made in this book for the accuracy of nearly all of which I can personally vouch and also to say on behalf of my colleague as well of myself that the book is issued as a record of observations carefully made and carefully recorded but not claiming any authority nor making any demand for acceptance It makes no claim to inspiration but is only an honest account of things seen by the writer ANNIE BESANT      **The Masters and The Path** ,1925      **Masters and the Path** Charles Webster Leadbeater,1975      [The Masters and the Path of Occultism.](#) (Second Printing.).  Ginsburg, 2014-04-01 If you want to pursue in a Western way the path that we follow here at Mirtola you need to study and  
 work with the Gurdjieffian teaching Thus did the guru Madhava Ashish at their first meeting invite American businessman Sy  
 Ginsburg on a spiritual journey that would last 19 years until the guru s death and include both annual visits to Sri Madhava  
 Ashish s Mirtola ashram near Almora in India s Himalayan foothills and a lengthy correspondence Along the way the  
 entrepreneur author would not only be caught up in the teachings of G I Gurdjieff but also in the search for the elusive  
 unitive vision the world viewed from the perspective of the greater Self and not the personality In this remarkable spiritual  
 document the reader shares the search increasingly catching glimpses of the unitive vision as the book draws toward a close  
 that is also an opening out into the vaster dimensions of the human mind      The Masters and the Spiritual Path Mark L.  
 Prophet, Elizabeth Clare Prophet, 2020-12-29 You have friends in high places There are masters who have come out of all the  
 world s great spiritual traditions These great lights of East and West have graduated from earth s schoolroom and reunited  
 with Spirit in the process known as the ascension The masters tell us that they are examples and not exceptions to the rule  
 We too are destined to fulfill our life s purpose and reunite with Spirit This intriguing work offers an innovative perspective  
 on the universe and your role in it In this brilliant blend of East and West you will discover valuable keys for your own  
 spiritual path You ll learn about the relationship between the ascension nirvana and samadhi the parallel structure of the  
 spiritual and material universes the difference between ascended and unascended masters and the function of the spiritual  
 hierarchy and the role of the masters The Masters and the Spiritual Path also offers a unique meditation on the bliss of union  
 with Spirit and a breathing exercise to help you balance and expand consciousness      *Calcutta Review* , 1928
