**The Masters** Curt Sampson,1999-03-16 The Masters golf tournament weaves a hypnotic spell It is the toughest ticket in sports with black market tickets selling for 10 000 and more Success at Augusta National breeds legends while failure can overshadow even the most brilliant of careers But as Curt Sampson author of the bestselling Hogan reveals in The Masters a cold heart beats behind the warm antebellum facade of this famous Augusta course And that heart belongs to the man who killed himself on the grounds two decades ago Club and tournament founder Clifford Roberts a New York stockbroker still seems to run the place from his grave An elusive and reclusive figure Roberts pulled the strings that made the Masters the greatest golf tournament in the world His story including his relationship with presidents power brokers and every golf champion from Bobby Jones to Arnold Palmer to Jack Nicklaus has never been told Until now The Masters is an amazing slice of history taking us inside the presidency of Dwight D Eisenhower Augusta's most famous member It is a look at how the new South coexists with the old South the relationships between blacks and whites between Southerners and Northerners between rich and poor with such characters as James Brown the Godfather of Soul the great boxer Beau Jack and Frank Stranahan the playboy golfer and the only white pro ever banned from the tournament The Masters is a spellbinding portrait of a tournament unlike any other

**Trials and Triumphs of Golf's Greatest Champions** Lyle Slovic,2016-05-19 Golf can be a vexing and cruel game and teaches us much about ourselves It has been described as a contest calling for courage skill strategy and self control It is a test of temper a trial of honor a revealer of character In the end as with most of life success hinges on the character and spirit we possess But how would our tempers be tested if we suffered a career threatening injury from a near fatal car accident as Ben Hogan did in the prime of his life How would our honor be preserved if we faced constant derision and racism both on and off the golf course as Charlie Sifford encountered his entire career How would our character be revealed if cancer robbed us of the ability to play the game we loved as it did to Babe Didrikson Zaharias Would we give in to self pity or persevere and keep going In Trials and Triumphs of Golf's Greatest Champions A Legacy of Hope Lyle Slovic has pulled together the inspirational stories of six golfers and a caddy whose strength of character sustained them against the physical and emotional trials that threatened both their careers and lives In an era when many athletes have lost their luster as role models the people in this book Harry Vardon Bobby Jones Ben Hogan Babe Didrikson Zaharias Charlie Sifford Ken Venturi and Bruce Edwards offer lessons in perseverance dignity humility and faith Slovic tells each of their stories with rich detail including the childhoods that shaped their characters their rise in the world of professional golf the crises they faced in their lives their struggles to keep doing what they loved and their refusal to give up They had their flaws to be sure But when faced with a true test of will all showed a strength that inspired those around them The first book to gather the stories of these golfers into a single volume Trials and Triumphs of Golf's Greatest Champions offers a unique blend of characters who shared the same love for a game that gave them the courage and
