Mastery Of Your Specific Phobia Client Workbook:

Mastery of Your Specific Phobia Martin M. Antony, Michelle G. Craske, David H. Barlow, 2004-11-11 Specific Phobias are some of the most prevalent anxiety disorders This book helps clients become active participants as they explores the nature of specific phobias including definitions prevalence and causes of phobias They also learn proven strategies for overcoming phobias including exposure based and cognitive techniques for reducing fear This program describes treatment strategies for a variety of specific phobias The Client Workbook is divided into three parts The first part describes the principles necessary for understanding specific phobias The second part describes the principles necessary for treating specific phobias The third part provides detailed guidelines for overcoming particular types of specific phobias The authors recommend that this program be done with the supervision of a mental health professional This item includes both the Client Workbook and Monitoring Forms

Mastery of Your Specific Phobia Martin M. Antony, 1995

Mastery of Your Specific Phobia Michelle G Craske, Ph.D., Michelle G. Craske, David H Barlow, Ph.D., Martin M Antony, PH.D., 1998-01-01 Mastery of Your Fears and Phobias Second Edition Workbook outlines a cognitive behavioral treatment program for individuals who suffer from specific fears and phobias including fear of blood heights driving flying water and others The program described in this workbook has proved to be the most effective treatment available for fears and phobias to date It has a success rate of up to 90% with as little as one treatment session Based on the principles of cognitive behavioral therapy CBT this workbook teaches clients about the nature of their fear and how to overcome it through exposures and changing their negative thoughts

Mastery of Your Specific Phobia Michelle G. Craske, Martin M. Antony, David H. Barlow, 1997-01-01 Specific Phobias are some of the most prevalent anxiety disorders This book helps clients become active participants as they explores the nature of specific phobias including definitions prevalence and causes of phobias They also learn proven strategies for overcoming phobias including exposure based and cognitive techniques for reducing fear This program describes treatment strategies for a variety of specific phobias The MSP program in the Client Workbook although written for the client should be carried out under the supervision of a mental health professional because many of the concepts and procedures are relatively complex The most effective intervention requires an understanding of the principles underlying the treatment procedures and a person who can guide the client through the demands of treatment The Client Workbook is divided into three parts The first part describes the principles necessary for understanding specific phobias The second part describes the principles necessary for treating specific phobias The third part provides detailed guidelines for overcoming particular types of specific phobias The Therapist Guide includes a description of the major points from each chapter covered in the Client Workbook the primary information that should be conveyed by the therapist and the principles underlying the therapeutic procedures described in each chapter Also included in this guide are typical questions asked by clients and solutions to problems that may arise in each chapter

Mastery of Your Specific Phobia Oxford University Press, Martin M. Antony, Michelle G.

Craske,David H. Barlow,2004-11-11 Specific Phobias are some of the most prevalent anxiety disorders This book helps clients become active participants as they explores the nature of specific phobias including definitions prevalence and causes of phobias They also learn proven strategies for overcoming phobias including exposure based and cognitive techniques for reducing fear This program describes treatment strategies for a variety of specific phobias The Monitoring Forms accompany the Client Workbook for Mastery of Your Specific Phobia ISBN 0 19 518688 5 **Mastering Your Fears and Phobias**
