Roll on the next one by one of my favourite authors Amazon reviewer 5 stars **Odessa Beach** Bob Leuci,2016-03-22 Fleeing the KGB a Russian conman decamps for New York City to build a new empire of crime Nikolai Niki Zorakoff has made a killing on the Soviet black market He smuggles in luxury goods from the West the blue jeans and perfumes that wealthy Muscovites simply can't do without and sells them for small fortunes But when the KGB takes an interest in Niki's operation he knows he must run or die And so with a forged passport and as much money as he can carry Niki heads to the Russian haven of Odessa Beach where a man without a conscience can live like a god It isn't long before Niki makes contact with the mobsters of South Brooklyn who loan him the capital to start a restaurant that becomes one of the area's hottest nightspots But when the time comes to pay Niki decides he would rather not settle up starting a gang war that will pit two generations of mobsters against each other in a fight to the death **Bones** Joe Tone,2017-08-08 The dramatic true story of two brothers living parallel lives on either side of the U S Mexico border and how their lives converged in a major criminal conspiracy Jos and Miguel Treviño were bonded by blood and a shared vision of a better life But they chose different paths that would end at the same violent crossroads with considerable help from the FBI and an enigmatic all American snitch Jos was a devoted family man who cut no corners in his pursuit of the American dream Born in Nuevo Laredo a Mexican border town on a crucial smuggling route Jos was one of thirteen children raised by a hardworking ranch hand He grew up loving the sprawling countryside and its tough fast quarter horses but in search of opportunity he crossed the border into Texas to look for work as a bricklayer He kept his nose clean He stayed out of trouble Back in Mexico Jos's younger brother Miguel was leading a different life While Jos struggled to make ends meet Miguel ascended to the top ranks of Los Zetas a notoriously bloody drug cartel his crimes had become the stuff of legend and myth on both sides of the border He was said to have burned rivals alive murdered Mexican and American law enforcement officers and launched grenades at a U S consulate Jos married with kids and now a U S citizen gave every indication of rejecting his brother's criminal lifestyle Then one day he showed up at a quarter horse auction and bid close to a million dollars for a horse the largest amount ever paid for a quarter horse at an auction The humble bricklayer quickly became a major player in the quarter horse racing scene that thrived in the American Southwest and Mexico That caught the attention of an eager young FBI agent named Scott Lawson

He enlisted Tyler Graham an American rancher who would eventually breed Jos s champion horse nicknamed Bones to help the FBI infiltrate what was revealing itself to be a major money laundering operation with the ultimate goal of capturing the infamous Miguel Trevi o Joe Tone s riveting exquisitely layered crime narrative set against the high stakes world of horse racing is an intimate story about family loyalty and the tragic costs of a failed drug war Compelling and complex Bones sheds light on the perilous lives of American ranchers the morally dubious machinery of drug and border enforcement and the way greed and fear mingle with race class and violence along America s vast Southwestern border Praise for Bones The true life tale of the Zetas foray into quarter horses is masterfully recounted a finely painted cast of characters Tone weaves the threads together with skillful pacing and sharp prose marking him as an important new talent in narrative nonfiction Tone adds some vivid details and digs deep into the colorful world of quarter horse racing The New York Times Book Review

Revolution an Uncommon Chronicle of the American War for Independence Kenneth Samcoe,2013-02 Revolution is a chronicle of a remarkable contest fought between the largest most powerful army on earth and a motley collection of men and boys extremely ill equipped and inexperienced in the arts of warfare It reveals how the radical revolutionaries revered today as the nation s founding fathers sometimes barely succeed and more often miserably fail to keep a healthy Continental army and a pusillanimous Continental Congress together Written in the present tense as newspaper articles and interviews Revolution is also the story of a civil conflict fought in a divided country where the words liberty and independence are equally cheered cursed and ignored
