Stories Jesus Told Prof. Greg Carey, 2019-08-06 We love stories. That's why we go to movies, read books, and listen to friends recount an experience. That's also why teachers use the technique of storytelling to make a difficult concept easier for us to process. Jesus told stories or parables for that very reason and to help us understand how God wants us to live. Sometimes, however, stories like the Good Samaritan and the Prodigal Son can be interpreted in more than one way. Even Bible scholars are divided on their meanings. In *Stories Jesus Told*, you'll explore six of Jesus' parables to learn how to read, interpret, and live them in your daily life. A DVD and Leader Guide are elements you can add to make a lively six-week group study.

The Parables Simon J. Kistemaker, 2002-03 A clear introduction to the parables of Jesus including and examination of their settings, interpretations, and implications for the Christian life.

Stories Jesus Told Leader Guide Prof. Greg Carey, 2019-08-06 The parables of Jesus like the Good Samaritan, the Prodigal Son, and the Laborers in the Vineyard make up the most distinctive element of his teaching and are essential to our common memory of Jesus. However, almost all of them

open themselves to multiple interpretations leaving interpreters to scratch their heads and argue with one another for centuries In this book Greg Carey explores six of Jesus stories to understand how to read them interpret them and understand what they mean for our own lives today The Leader Guide contains everything needed to guide a group through the six week study including session plans activities and discussion questions as well as multiple format options **Tell Me the Stories of Jesus** R. Albert Mohler, Jr.,2022-06-14 In Tell Me the Stories of Jesus pastor and theologian R Albert Mohler Jr reveals the unique power of Jesus parables for today s readers showing how they announce the kingdom communicate both judgment and grace and call every human heart toward transformation in the light of God s love He who has ears let him hear The Prodigal Son The Good Samaritan The parable of the mustard seed The stories Jesus told during his earthly ministry are packed with such memorable images and characters that they now permeate our culture s popular imagination But what if their familiarity has muted their powerful message causing today s readers to miss their ability to shock and transform In Tell Me the Stories of Jesus renowned pastor and theologian R Albert Mohler Jr unlocks the power of Jesus parables for readers today Jesus perfected the art of telling parables short stories with a surprising twist and an explosive message that confronted his listeners with surprising and often uncomfortable truths about the human heart and the kingdom of heaven But two thousand years later modern readers may not grasp the cultural and historical context that made these stories so compelling for Jesus original audience Mohler brings Jesus stories to life uncovering the context and allowing readers to hear these stories in all their shocking paradigm shifting power Readers will feel a deeper connection with Jesus by stepping into the shoes of his first century followers and hearing with fresh ears the stories he shared with his closest followers gain a deeper understanding of the gospel through Jesus own words and see the parables in a new light experiencing perhaps for the first time their ability to draw people into Jesus kingdom Every parable Jesus told contains judgment and grace They hold up a mirror that reveals the human heart and invites everyone to welcome Jesus kingdom and reign Will you have ears to hear their vital message Learning to Live from the Parables Morris M. Womack,1995 *Best-Loved Parables* Lois Rock,Gail Newey,2003-02 Timeless stories from the Christian faith and part of the world s heritage of wisdom These stories or parables can be enjoyed as everyday tales of people and the things they do both wise and foolish Yet for those to understand life s mystery the parables provide a wealth of understanding The world of Jesus parables is God s world By the choices people make they can live as God s people and make their world part of God s heaven **Parables** John F. MacArthur,2015-10-27 Discover how Jesus parables can help you better understand God s Word and how to live today Have you ever wondered why Jesus often spoke in parables Are you curious about what lessons we can learn from these parables today Pastor and bestselling author John MacArthur breaks down the parables and teaches you how we can apply these deceptively simple stories to modern Christianity Jesus was a master storyteller and the parables he often told were no exception Beneath these unassuming stories were deeply profound spiritual lessons that were designed to reach all who

heard them from the faithful to the faithless and they're still relevant today. In *Parables*, MacArthur argues that these short memorable stories represented more than just symbolism or a clever teaching style; they were carefully crafted tales that made the mysteries of the Gospel more accessible to everyday believers. *Parables* will help you see Jesus' teachings in a brand new light, addressing some of the most common questions on the topic, including: When did Jesus start teaching in parables? What makes parables so accessible? How can we interpret these stories? What common threads link each of the parables together? What do parables teach us about the kingdom of God? John MacArthur has spent a lifetime sharing the Word of God in clear and comprehensible terms with believers of all walks of life. Let him be your guide as he sheds light on the essential lessons contained in the most infamous and influential short stories the world has ever known. ***Stories Jesus Told*** John Jay Hughes, 1999. Everyone loves a story. And Jesus' audience was no different from ours today. Using the parable, which the author defines as an earthly story with a heavenly meaning to teach his followers basic truths, lessons in right and wrong, so to speak, was a mark of Jesus' ministry. Some like the Good Samaritan and the Prodigal Son are quite familiar, while others such as the beggar Lazarus at the rich man's gate are less so. The images Jesus in his parables, the author says, are so simple that they can be understood by children yet so profound that scholars are still pondering them twenty centuries later. John Jay Hughes has chosen fourteen stories for this book of meditations whose themes cover trust in God, social justice, human rights, the raising of the lowly, forgiveness, understanding, and more. The author's fresh spin on these familiar stories, his rich insight, and ability to share concrete applications that speak to our culture and time, as well as the inclusion of pointed Questions for Reflection at the end of each meditation essay, make this a companionable book for contemporary spiritual reading. **Jesus Taught in Parables | Three Bible Stories for Children | Children's Jesus Books** One True Faith, 2020-12-31. PARABLES JESUS TOLD Parables were extensively used by Jesus in the New testament to drive home His points to those who came to ask listen and learn about the kingdom of God They helped in greatly expounding the message that He brought to the world Parables were expressive stories which used fictional characters and or events to help describe subjects by the use of suggestive likeness with the purpose of helping to convey important messages or information Parables played key roles in the teaching ministry of Jesus This book takes a layman s view of the many parables told by Jesus The meanings and implication of the parables for fruitful Christian living were also elucidated Parables played very important roles in the ministry of Jesus more so in the gospels of Matthew Mark and Luke They were extensively used to explain the mission of Jesus which is to point men to the kingdom of God It is no wonder that they were viewed as earthly stories but with significant heavenly meanings Jesus said those who listen and act on His parables will know and understand the secrets of the Kingdom of Heaven While some of the parables were very easy to comprehend and understand there were those that needed deeper introspection to really get a hang of what Jesus was saying or portraying The first parable used by Jesus was recorded in the gospel of Matthew Some of them were repeated in the the gospels of Mark and Luke Jesus used them to properly explain how we as humans are to relate not only with ourselves horizontally but also vertically with God As modern day Christians there are lots to learn from the parables I know that as Christians and maybe not we have come across these parables through reading them or in passing Whatever your experience has been the aim of this book is to further build on what you already know and hopefully shed more light on how the parables could still make impacts on you as a modern day Christian The approach is to take another look albeit a layman s at all the parables told by Jesus expound on them and see their applicability to Christians living in this ever changing times As you explore this book I hope you will be able to put yourself in the position of the audience of Jesus when he spoke the parables and gain a new insight It is necessary to reflect on the warnings given in them and make changes where required This book is perfect both for individual or group Bible study Parables Jesus Told is written in simple language so it can be better understood be insightful and make meaningful impact on the reader This book will expose the reader to all the parables told by Jesus This will help you in finding hope in God gain a better and clearer understanding of why Jesus used parables in His teaching view Jesus heart and His compassion
