aproximación a la íntima y prolífica lectura que hace Pamuk del mundo y de la vida a través de un conmovedor mosaico de paisajes y reflexiones. Recuerdos de montañas lejanas se convierte así en un verdadero espacio artístico alejado del diario o las memorias tradicionales dando lugar a un libro singular e inimitable. La crítica ha dicho: Los cuadernos de Orhan Pamuk son muy conmovedores. El autor se revela poco a poco con modestia y sensibilidad. El lector se sumerge en la génesis de sus libros. Seguimos paso a paso la construcción de una novela, la progresión de la historia, las vacilaciones y sobre todo el poder imaginativo del escritor. Los colores son esenciales, colores que se transforman en emociones y que dan testimonio de los estados de ánimo del pintor. Ver y dibujar paisajes es vivir, consolarse, reconciliarse con el mundo llevando la poesía a la vida cotidiana. La acuarela permite acceder a un mundo imaginario, plasmar las impresiones de los sueños, redescubrir los recuerdos de las montañas a lo lejos.

Jean Marie Chamouard, *Toute La Culture*. Una oportunidad para conocer el caprichoso mundo del Premio Nobel de Literatura de 2006 Jean Claude Perrier, *L'Orient Littéraire*. Una obra verdaderamente singular incluso íntima que nos permite entrar en lo que hace y en quién es. A través de sus palabras por supuesto pero también de sus dibujos. Radio France Internationale. Recuerdos de montañas lejanas permite conocer dos facetas hasta ahora inéditas del premio Nobel: la de escritor de diarios y la de dibujante. Es otro Pamuk pero a la vez es el Pamuk más auténtico porque está en ahí aspectos de su vida y también algunas claves de su obra. Pero sobre todo hay una inmensa declaración de amor a la literatura y muy especialmente a la novela.

Extraños homicidios suceden en una Praga misteriosa firmados con la letra K. Extraños espejos mostraban otras dimensiones. Un asesino serial deambulaba por las calles de Praga. Khloe tenía el poder de ver esos homicidios en sus peores pesadillas pero no podía hacer nada para detener al monstruo que asesinaba a esas mujeres y que se nutría de su mente. Adonde termina el sueño y comienza la realidad. Una novela rica de suspense, pasión, erotismo. Hechos reales que podrían desconcertar al lector. Ver para creer. Las sábanas negras de Khloe es un Thriller Paranormal. He dedicado este libro a mi hija porque me ha regalado la fuerza para continuar a escribir este manuscrito que había abandonado en el 2006. Comencé a escribirlo en el 2006 y pude terminarlo en el 2012. Se preguntan por qué. Porque amé este libro desde la primera palabra que escribí. Lo senté a mí. La historia perfecta. Por eso no conseguí a continuar con los capítulos y encontrar un final fue realmente difícil. Si hubiera sido por mí hubiera continuado escribiéndolo hasta el infinito. La inspiración del libro nació escuchando la columna sonora de Twin Peaks y *Fuoco Cammina con me* ambas de Angelo Badalamenti. Me puse los auriculares y me transportaba lejos y la mano escribiendo rpidamente. Les aconsejo a leerlo con esa música de fondo. Volví a retomar este libro en el 2012 mientras estaba embarazada de mi hija Alice, quizás ella
