Murder in the Holy City Simon Beaufort,2014-11-01 This first title in the Geoffrey Mappestone series was originally published in the USA in 1998 but has never been available in the UK Jerusalem 1100 On returning to the city following an exhausting desert patrol Crusader knight Sir Geoffrey Mappestone hears screams coming from the house of a Greek baker and discovers that one of his closest friends a fellow knight has been murdered in the woman s bedchamber But this is not the first suspicious death in the city other knights and priests have also been killed all with the same type of curved dagger with a jewelled hilt Ordered to investigate the deaths by his liege lord Prince Tancred it is not long before Sir Geoffrey finds himself drawn into dire straits involving some of the most dangerous men in the city and learns that his closest friends could also be his deadliest enemies    **Holy City** Henry Wise,2024-06-04 EDGAR AWARD WINNER FOR BEST FIRST NOVEL OF THE YEAR Holy City is an amazing piece of work A Southern novel that examines the pathos and ethos of small town life and the weight of both grief and hatred Love it S A Cosby No one innocent No one free Nothing sacred Holy City is the captivating debut from Henry Wise about a deputy sheriff who must work alongside an unpredictable private detective after he finds himself on the outs from his sheriff s department over his unwillingness to look the other way when an innocent man is arrested for murder After a decade of exile precipitated by the tragic death of his mother Will Seems returns home from Richmond to rural Southern Virginia taking a job as deputy sheriff in a landscape given way to crime and defeat Impoverished and abandoned this remote land of tobacco plantations razed forests and boarded up homes seems stuck in the past in a state that is trying to forget its complex history and move on Will s efforts to go about his life are wrecked when a mysterious brutal homicide claims the life of an old friend Tom Janders forcing Will to face the true impetus for his return not to honor his mother s memory but to pay a debt to a Black friend who in an act of selfless courage years ago protected Will and suffered permanent disfigurement for it Meanwhile a man Will knows to be innocent is arrested for Tom s murder and despite Will s pleas his boss seems all too content to wrap up the case and move on Will must weigh his personal guilt against his public duty when the local Black community hires Bennico Watts an unpredictable private detective from Richmond to help him find the real killer It would seem an ideal pairing she has experience along with plenty of sand and Will is privy to the details of the case but it doesn t take long for either to realize they much prefer to operate alone Bennico and Will clash as they each defend their untraditional ways on a wild ride that wends deep into the Snakefoot an underworld wilderness that for hundreds of years has functioned as a hideout for outcasts the forgotten and neglected and abused leaving us enmeshed in the tangled history of a region and its people that leaves no one innocent no one free nothing sacred
