Mokerrom Hossain

Pakistan In Perspective 1947 1997:

Pakistan in Perspective, 1947-1997 Rafi Raza, 1997 Pakistan has been labelled a failed State This book outlines some important aspects of the first fifty years and shows that it can remain a viable State The various chapters provide not only a short history of developments but also a framework for reappraisal

Pakistan in Perspective, 1947-1997 Rafi Raza, 2001 This important new reference provides a wide range of historical and other information about Pakistan's first fifty years The articles written by leading Pakistani experts discuss education the constitution foreign affairs family planning economics and human rights

Political Survival in Pakistan Anas Malik, 2010-10-22 Presenting a framework that incorporates macro level forces into micro level strategic calculations this book explains key political choices by leaders and challengers in Pakistan through the political survival mechanism It offers an explanation for continuing polity weakness in the country and describes how political survival shapes the choices made by the leaders and challengers Using a unique analysis that synthesizes theories of weak states quasi states and political survival the book extends beyond rationalist accounts and the application of choice theoretical approaches to developing countries It challenges the focus on ideology and suggests that diverse religiously and ethnically defined affinity groups have interests that are represented in particular ways in weak state circumstances Extensive interviews with decision makers and polity participants combined with narrative accounts allow the author to examine decision making by leaders in a state bureaucratic machinery context as well as the complex mechanisms by which dissident affinity groups may support quasi state options This study can be used for comparisons in Islamic contexts and presents an interesting contribution to studies on South Asia as well as Political Development

From Protest to Freedom Mokerrom Hossain, 2010-02-21 This book presents the socio political history of birth of Bangladesh It provides a brief summary of the roles the Bengali Muslims played in relation to British rule and the Pakistan movement It narrates the dynamics that took place during British Colonial administration that inspired the people of this land toward freedom and equality on the basis of modern democratic principles they experienced in whatever limited fashion during the British rule It also illuminates the peoples expectations that with the replacement of Colonial democracy they could establish true democracy as was exposed through the writings of Western scholars It provides a summary of how the hopes and aspirations of the East Pakistani Bengalis were shattered due to West Pakistani politicians attitudes and actions It provides a description how military rule further alienated East Pakistani Bengalis due to its new form of central government Basic Democracy and how discrimination gave impetus for further protests and agitations It illustrates how economic and social discriminations created disparities and uneven development and how East Pakistani Bengalis responded as a group It explains the rise of Bengali nationalism It is shown how East Pakistani Bengalis were committed to the restoration of a true democratic system of governance as the only way to save Pakistan from disintegration It shows how the downfall of Aga Mohammad Ayub Khan 1907 1974 and the rise of Yahya Khan 1917 1980 were nothing but a change of face and a repeat of deceitfulness It describes

the occupation period when the West Pakistani army literally occupied East Pakistani Bengali population. It describes how during the occupation period the West Pakistani army committed genocide and how most of the world powers remained indifferent to it. Finally a description has been provided of the Mukti Bahin, the people's army of East Bengal, how it was formed and how it fought against Pakistan's pampered army until the surrender of West Pakistani army and Bangladesh was born. This book provides a comprehensive understanding of a long chain of events that ultimately led to the victory on December 16, 1971.

The Middle East and South Asia 2018-2019 Seth Cantey, 2018-10-26. This annually updated volume of the World Today Series is designed to place in context the passionate controversies and emotional attachments of the two billion people who live, study, work and die in the Middle East and South Asia. Despite room for optimism in some areas, many parts of the Middle East and South Asia continue to face extraordinary challenges and difficult outlooks. Much of this has to do with conflict across the region which extends well beyond atrocities perpetrated by the Islamic State and the Assad regime in Syria. This volume depicts a region where hundreds of millions seek dignity as humans and respect from their governments. This volume helps the general reader understand recent and past developments from these countries.

The Middle East and South Asia 2017-2018 Seth Cantey, 2017-08-25. This volume is designed to place in context the passionate controversies and emotional attachments of the two billion people who live, study, work, love and die in the Middle East and South Asia. Understanding these regions means more than annually updated details of the governments' politics, cultures and economies of the twenty-four nations and assorted territories. Special chapters address significant issues of continuing international importance including access to water, the role of oil and the 2011 Arab Spring. Both regions after all contain types of people misunderstood and often intensely disliked by others. Where religion intrudes on politics, the Afghan Taliban oppose educating girls, Hindu fanatics rampage in India, Iranian militiamen shoot demonstrators, Islamic extremists impose sharia and Jewish Ultra Orthodox send women to the back of the bus, readers bombarded with superficial news bites and slanted reporting might never sense the other accomplishments of these same societies. Islamic charities and societies bring relief to the impoverished, Israel's scholars win Nobel prizes and most Indians cherish long-standing religious toleration. The author of this volume attempts to let the reader draw conclusions from the evidence.

Pakistan Christophe Jaffrelot, 2002-04. This account of Pakistan's complicated political mosaic focuses on ethnic tensions within the country, the Mohajir movement, Pashtun and Baloch nationalisms and the Punjabization of the country. Contributors also look at the country's complex position within the South Asian region including its foreign policy and the dialectic between domestic and foreign policy and the role of the army. The book raises many thought-provoking questions including the definition of Palestinian identity, the control of the state and the deeply flawed institution of democracy.

The United States and Pakistan, 1947-2000 Dennis Kux, 2001. US-Pakistan relations have been very volatile, largely a result of the Cold War. An intimate partnership prevailed in the Eisenhower, Nixon and Reagan years and friction during the Kennedy, Johnson and Carter presidencies. This text charts

the ups and downs of this relationship **A History of Pakistan and Its Origins** Christophe Jaffrelot,2002 A History of Pakistan and its Origins is a comprehensive detailed and fully up to date study of one of the most diverse volatile and strategically significant countries in the world today Born in turmoil barely half a century ago Pakistan seems to be in an interminable pursuit of its own identity and at the same time finds itself a pivotal player in world politics Its short existence has witnessed much four coups d tat the rise of Islam as a power tensions between ethnic religious and separatist movements the Kashmir conflict and the near constant war footing with India This text charts half a century of nation building in Pakistan while at the same time placing the country within the context of its relations with the outside world **The Middle East and South Asia 2003** Malcolm B. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Pakistan In Perspective 1947 1997. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Pakistan In Perspective 1947 1997, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability

to download Pakistan In Perspective 1947 1997 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
