be what it is the writings of imagined diasporas challenge national discourses Diaspora brings to mind various contested ideas and images It can be a positive site for the affirmation of an identity or conversely a negative site of fears of losing that identity Diaspora signals an engagement with a matrix of diversity of cultures languages histories people places times What distinguishes diaspora from some other types of travel is its centripetal dimension It does not only mean that people are dispersed in different places but that they congregate in other places forming new communities In such gatherings new allegiances are forged that supplant earlier commitments New imagined communities arise that not simply substitute old ones but form a hybrid space in between various identifications This book looks into the ways in which diasporic Indian literature handles these issues In the context of diaspora there is an imaginative construction of collective identity in the making That a given diaspora comes to be seen as a community is the result of a process of imagining at the same time creating new marginalities hybridities and dependencies resulting in multiple marginalizations hyphenizations and demands for allegiance The study concentrates on eleven contemporary women writers from the United States and Canada who write on South Asian diasporic experiences The writers are Ramabai Espinet Jhumpa Lahiri Amulya Malladi Sujata Massey Bharati Mukherjee Uma Parameswaran Kirin Narayan Anita Rau Badami Robbie Clipper Sethi Shauna Singh Baldwin and Vineeta Vijayaraghavan *Southeastern Europe*, 2002 *Swinging Her Breasts at History* Moira Inghilleri, 2006 This innovative collection of scholarly essays addresses crucial questions such as How is Caribbean women's literature remembering a history characterized by trauma dislocation and loss and What are the meanings of literary silences and how might such meanings be read Scholars from around the world provide a vibrant informed range of approaches to writing published variously in English Spanish French and Creole The contributors include Begonia Vilouta Vazquez Celia Burgess Macey Maria Helena Lima Jane Desmaris Allison Francis Brockert Maria Cristina Fumagalli Laura Durden Kristyn Jane Saunders Odile Ferly Gema S Castillo Garcia Marjorie Brooks Jones Denise DeCaires Narain Jean Andrews Sue Thomas Moira Inghilleri Joan Anim Addo Betty E Wilson Velma Pollard Sandra Campos Gillian Kathryn Smith Vivien Golding Beryl Gilroy Felix Kindelan Delis and Paula Morgan
