Rogers, 2015-03-13 Murders just didn't happen in the little village of Cole Harbor Maine New York investigative reporter Laura Friday returns to Cole Harbor to recuperate from a near fatal gunshot wound When she and her aunt go picnicking on a nearby island the ground gives way beneath her and Laura falls into a shallow grave landing on a woman's skeletal remains Now someone is leaving white rosebuds on Laura's doorstep Park Ranger Bryan Cole makes no secret of his attraction to Laura Riddled with guilt that she's to blame for her best friend's death Laura lets Bryan know she is not interested in anything beyond a platonic relationship and he realizes he has his work cut out for him if he wants to win her heart A psychotic killer lurks in the town The voices inside his head tell him Laura is the perfect woman If she screams when he tries to love her will there be another grave to fill **Murder in the Mist** Cora Harrison, 2023-12-05 'Tis the season of goodwill and Dickens extends the hand of friendship to a stranded stranger and his nephews for Christmas with deadly consequences Wilkie Collins is looking forward to spending Christmas at Gads Hill Charles Dickens Kentish country home but the festivities are cut short when a body is found on the snowy marshland Timmy O Connor was invited to the gathering with his four nephews after a chance encounter with Dickens but is now dead Dickens is convinced the murderer is one of the convicts from a nearby prison ship but Collins is not so sure Who was this mysterious and unpleasant stranger from Cork who turned Christmas cheer to fear Could Timmy have posed a threat to one of the guests With the convicts guests and even Timmy's nephews under suspicion there is no shortage of suspects for such a violent act but which one of them is a cold blooded killer The Rwanda Crisis Gérard Prunier, 1997 In the spring of 1994 the tiny African nation of Rwanda exploded onto the international media stage as internal strife reached genocidal proportions But the horror that unfolded before our eyes had been building steadily for years before it captured the attention of the world In The Rwanda Crisis journalist and Africa scholar Gérard Prunier provides a historical perspective that Western readers need to understand how and why the brutal massacres of 800 000 Rwandese came to pass Prunier shows how the events in Rwanda were part of a deadly logic a plan that served central political and economic interests rather than a result of ancient tribal hatreds a notion often invoked by the media to dramatize the fighting The Rwanda Crisis makes great strides in dispelling the racist cultural myths surrounding the people of Rwanda views propagated by European colonialists in the nineteenth century and carved into history by Western influence Prunier demonstrates how the struggle for cultural dominance and subjugation among the Hutu and Tutsi the central players in the recent massacres was exploited by racially

obsessed Europeans He shows how Western colonialists helped to construct a Tutsi identity as a superior racial type because of their distinctly non Negro features in order to facilitate greater control over the Rwandese Expertly leading readers on a journey through the troubled history of the country and its surroundings Prunier moves from the pre colonial Kingdom of Rwanda through German and Belgian colonial regimes to the 1973 coup The book chronicles the developing refugee crisis in Rwanda and neighboring Uganda in the 1970s and 1980s and offers the most comprehensive account available of the manipulations of popular sentiment that led to the genocide and the events that have followed In the aftermath of this devastating tragedy The Rwanda Crisis is the first clear eyed analysis available to American readers From the massacres to the subsequent cholera epidemic and emerging refugee crisis Prunier details the horrifying events of recent years and considers prospects for the future of Rwanda *The Beilis Affair* American Jewish Committee,1914 **Who Done It?**
