Paging Aphrodite:

Paging Aphrodite Kim Green, 2004 Abandoned by her new spouse Parker Glass heads for the sunswept beaches of Corfu accompanied by her sister's lovelorn friend Anya Soberanes and encounters Claire Dillon a middle aged woman struggling to cope with the trials of motherhood dissatisfaction and an adulterous husband and Kelah Morris a young writer escaping from her stressful life Original 40 000 first printing

Live a Little Kim Green, 2008-08-15 What do you do if you have two bratty teenage kids who don't give you the time of day What do you do if your husband is more interested in his remote than you What do you do if you're forever being compared to your perfect sister who just happened to marry your perfect boyfriend And what do you do if you're told you have stage 4 breast cancer Well if you're Raquel Rose you tell your family your diagnosis and then you watch them go from treating you like dirt to treating you like a queen Then you go on to raise unprecedented amounts of money for breast cancer research You fulfill your early artistic promise And you find you love this new life of yours no matter how fleeting it may be So when the doctor calls to tell her that there was a mistake and she's actually perfectly healthy instead of sharing her good news Raquel can't relinquish the sudden attention and love from her family Soon Raquel's lie by omission snowballs and the wise cracking 40 something becomes a sought after figure on her sister's popular talk show elevating her illness to local rock star status Her mistaken diagnosis becomes the fated opportunity to fix the glaring problems in her life her stalled career as an artist her lackluster marriage her unappreciative children and her highly dysfunctional family And while she wants to tell the truth she's afraid to give it all up would her family go back to taking her for granted Would the donors rescind their checks if they think she was a fraud In the end it's up to Raquel to find her real cure an ending that befits the second chance she's been granted

Tart Jody Gehrman, 2012-02-15 Tart is my favorite word I love what it stirs in the mind the synesthesia of flavor mixing with colors reds oranges and apple greens gleaming with cheap temptation like Jolly Ranchers It's been a goal of my

Travel, Tourism, and Identity Gabriel R. Ricci, 2017-09-29 Travel Tourism and Identity addresses the psychological and social adjustments that occur when people make contact with others outside their social cultural or linguistic groups Whether such contact is the result of tourism seeking exile or relocating abroad the volume's contributors demonstrate how one's identity cultural assumptions and worldview can be brought into question In some cases the traveller finds that bridging the social and cultural gap between himself and the new society is fairly easy In other cases the traveller discovers that reorienting himself requires absorbing a new cultural history and traditions The contributors argue that making these adjustments will surely enhance the traveller's or tourist's experience otherwise the traveller or tourist will be at risk of becoming a marginalized figure one disconnected from the society that surrounds him This latest volume in the Culture Civilization series features a collection of essays on travel and tourism The essays cover a range of topics from historical travels to modern social identities They discuss ancient travels contemporary travels in Europe Africa and sustainable eco tourism and the politics of tourism Essays also address experiences of Grenada's Spice Island identity and the effects of globalization and migrations on personal identity Islands Magazine, 2005-01
