way he spends his money on food utilities and groceries but when it comes to spending on things that make him happy he loses control If you want to reach your financial goals you need to find out which financial activities hurt your budget By knowing about your spending weaknesses you will be able to find strategies that will allow you to improve your budgeting performance in the future **Creative Money Management for the Executive** Israel Untermyer,1962 *Resources in Education* ,1984 The New Wealth Management Harold Evensky,Stephen M.
